COMMUNICATIONS FROM THE MAYOR

August 16, 1955

APPROPRIATION ORDINANCE NO. 27, 1955

An ordinance appropriating the sum of Nine Thousand (\$9,000.00) Dollars from the anticipated, unexpended and unappropriated 1955 balance of the General Fund of the City of Indianapolis to a certain designated fund and item, hereby created, in the Department of Finance, City Controller, for the use and benefit of the Indianapolis-Marion Building Authority, declaring an emergency and fixing a time when the same shall take effect.

August 30, 1955

TO THE MEMBERS OF THE COMMON COUNCIL,
OF THE CITY OF INDIANAPOLIS:

Gentlemen:

I have this day approved with my signature and delivered to the City Clerk, Mrs. Grace M. Tanner, the following ordinance.

However, I should like to call your attention to the fact that you have disregarded the law with regard to the mandatory amount to

be paid the John Herron Art Institute (see Page 508, last item). This matter was specifically called to your attention during budget hearings.

I was informed that the reason for doing this was so that the John Herron Art Institute (a cultural and eleemosynary institution) could be called upon to test the law with regard to the levy to be paid to them.

It is interesting to note that you did not require the same test with regard to the mandatory pay raise given to the City Council.

While there are other points with regard to your budget cuts with which I might disagree, I was perfectly willing to sign the budget with the exception of this one issue which is an arbitrary disregard of the law on the part of the City Council—which is itself a law making body and which laws all of us have sworn to and are called upon to respect.

I also appreciate that a veto of this budget would affect the Police and Fire longevity pay and many other departments in the City; therefore, I am signing the same and forwarding it with the above comments.

GENERAL ORDINANCE NO. 75, 1955

An ordinance establishing the annual budget of the City of Indianapolis, Indiana, for the fiscal year beginning January 1, 1956 and ending December 31, 1956, appropriating monies for the purpose of defraying the expenses and all outstanding claims and obligations of the several departments and officials of the city government; and fixing and establishing the annual rate of taxation and tax levy for the year 1956 for each fund for which a special tax levy is authorized, and fixing a time when this ordinance shall take effect.

Very truly yours,

ALEX. M. CLARK,
Mayor

SUBJECT: General Ordinance No. 74, 1955

In compliance with letter dated August 2, 1955, signed by Grace M. Tanner, City Clerk, the subject ordinance was given a public hearing after due public notice by the City Plan Commission at its meeting August 22, 1955.

This ordinance would change the zoning from U1 to U3 in 3 lots located on the west side of Sherman Drive 310 feet north of the north line of 30th Street. Present U3 zoning extends only 120 feet north of 30th Street, leaving 190 feet of U1 or Dwelling House zoning south of the petitioner's property.

The City Plan Commission unanimously approved a recommendation to amend the ordinance so as to establish U3 or Business zoning continuously from the north line of 30th Street to the north line of petitioner's property, making a total of 420 feet of business frontage on the west side of Sherman Drive.

Petitioner agreed to execute and record a covenant that the existing dwelling house would not be occupied nor used for any commercial purpose, and will be removed within a year from the date of passage of this ordinance, if it is passed.

Provided such covenant is so executed and recorded, the Commission unanimously approved the ordinance as amended, and so recommends the passage of General Ordinance No. 74, 1955 as amended.

NOBLE P. HOLLISTER,
Executive Secretary
City Plan Commission
