TO: President and Members of the Common Council
FROM: City Plan Commission

SUBJECT: General Ordinance No. 100, 1956

In compliance with letter of November 8, 1956, signed by Teresa F. Laffey, City Clerk, the subject ordinance has been given a public hearing by the City Plan Commission after due public notice, resulting in unanimous approval of an amendment to the description in Section 1 of said Ordinance by the Commission at its meeting January 11, 1957.

Present zoning of the property described in this ordinance is U1 or Dwelling House, A3 or 2400 Square Feet Area, and H1 or 50 Feet Height. The proposed ordinance would change this zoning to U3 or Business and the proposed amendment would place the north line of such Business district 150 feet instead of 45 feet south of the center line of 38th Street. Said Business zoning would extend 300 feet to the south of said north line and from Georgetown Road east for approximately 658 feet to the present corporation line.

The City Plan Commission therefore recommends passage of General Ordinance No. 100, 1956, so amended as to the description in Section 1 thereof.

NOBLE P. HOLLISTER.
Executive Director,
City Plan Commission

At this time those present were given an opportunity to be heard on Appropriation Ordinances Nos. 1, 2, 3,

1957; General Ordinances Nos. 2, 4, 1957; Special Ordinance No. 1, 1957 and General Ordinance No. 100, 1956.

Mr. Wallace asked for recess. The motion was seconded by Mrs. Francis and the Council recessed at 6:55 P.M., CST.

The Council reconvened at 7:45 P.M., with the same members present as before.

Prior to the sale of any of said bonds the City Controller shall cause to be published a

notice of the sale of said bonds, once each week for two (2) consecutive weeks in two (2) local newspapers. The date fixed for the sale of said bonds shall be not earlier than seven (7) days after the last of said publications. Said bond sale notice shall state the time and place of sale, the purpose for which the bonds are issued, the amount thereof, the maximum rate of interest thereon, the time of payment, and the terms and conditions upon which bids will be received and the sale made, and such other information as the City Controller deems necessary.

Among other things, such notice shall advise the bidders that all bids for said bonds shall be filed with the City Controller in his office in said City, in sealed envelopes marked "Bid for City of Indianapolis Fire Station Building Bonds of 1957"; that each shall be accompanied by a certified check or a cashier's check, payable to the "City of Indianapolis," in the amount of Four Thousand Fifty Dollars (\$4,050.00), to guarantee the good faith of the bidder, and that in the event the bidder to whom the bonds are awarded shall fail or refuse to comply with the provisions of its bid, then said check and the proceeds thereof shall be and become the property of the City of Indianapolis and shall be taken and considered as liquidated damages of the City on account of such failure, or refusal. Said notice shall also provide that the bidders for said bonds shall be required to name the rate of interest which said bonds are to bear, not exceeding the maximum rate herein provided, and that such interest rate must be in multiples of one-eighth ($\frac{1}{8}$), of one per cent (1%), and not more than one interest rate shall be named by each bidder; that the City Controller will award said bonds to the highest qualified bidder who has submitted his bid in accordance with the notice of sale, and that the highest bidder shall be the one who offers the lowest net interest cost to the City, determined by computing the total interest on all bonds to their maturities and deducting therefrom the premium bid, if any.

Section 6. No bid for less than the par value of said bonds including the accrued interest from the date of said bonds to the date of delivery thereof, at the rate named in the bid, shall be considered. The City Controller shall have the right to reject any and all bids. In the event the City Controller shall receive no satisfactory bid for said bonds at the time fixed in said notice of sale, he shall be authorized to continue to receive bids thereafter from day to day until a satisfactory bid has been received, and in the event of the continuance of sale the City Controller shall open all bids filed at the same hour each day as stated in the bond sale notice.

Section 7. The City Controller is hereby authorized and directed to have said bonds and coupons prepared, and the Mayor, City Controller and City Clerk are hereby authorized and directed to execute said bonds and the interest coupons to be attached thereto in the form and manner herein provided, and the City Controller shall, after the execution of said bonds, deliver the same to the City Treasurer. The Treasurer is hereby authorized and directed to deliver said bonds to the purchaser thereof, upon receipt from the purchaser of the amount bid for said bonds as certified to the Treasurer by the City Controller.
