To the Hon. President and Members of the Common Council, Indianapolis, Ind.:

Gentlemen—I am presenting you a letter from Mr. George Hutsell, City Clerk, asking for an extra clerk, and appropriating \$100 to pay for same.

As Mr. Hutsell states in his letter, the necessity for this clerk is occasioned by the primaries to be held May 3.

Mr. Robert H. Bryson, City Controller, Indianapolis, Indiana :

Dear Sir—Due to the coming Primary Election, and the absent voters' law, I am compelled to ask for extra clerk hire in my office.

As Mr. J. E. Ambuhl, who takes care of all the Council work, has been, and will be, very busy assisting me in these extra duties, he will be unable to keep up with the engrossing and other council work.

I will ask the Common Council at its regular meeting tonight to create the temporary position of Assistant City Clerk, for a period of thirty days.

I am therefore requesting you to recommend an appropriation for one hundred dollars for that purpose from the general fund.

Very truly yours,

Sec. 2. From and after the passage of this law, it shall be unlawful for any person, firm or corporation owning or operating an automobile, taxicab or other motor vehicle to charge any passenger or persons employing said automobile, taxicab or other motor vehicle any fare greater than the fare computed during the service rendered by the taxi-meter on said automobile, taxicab or motor vehicle. It shall be the duty of every person, firm or corporation owning or operating an automobile, taxicab or other motor vehicle, as herein described, to keep the taxi-meter thereon in a good and workable condition, and at the beginning of every employment to set said taximeter in the usual way so that it will register and compute on a mileage basis, while said vehicle is running, and a time basis while waiting, and while the service is being rendered the fare to be charged. And such taxi-meter shall be so placed that the face thereof, where the face is registered, will be plainly visible to passenger or passengers within said vehicle. provided that a variance of three per cent (3%) more or less, shall be considered as accurate and correct.

Sec. 4. No driver or operator of any taxicab shall permit any person to ride thereon or therein, without the consent of the owner thereof, when the flag is up or toward a vertical position, and no person shall tamper with, break or mutilate any taximeter, with the intention of causing the same to register improperly or incorrectly or inaccurately.
