Mr. Claude Negley, President City Council, Care City Clerk, Indianapolis:

Dear Mr. Negley—In my capacity as president of the Butler-Fairview Civic Association, I have been instructed to bring to your attention the matter of establishing a fire station in the Butler-Fairview locality.

This matter has been agitated by the residents of our section for the last three or four years, inasmuch as the nearest station to our general location is two miles away, i. e., Thirtieth Street and Kenwood Avenue. Chief O'Brien, under the Shank administration, selected the corner of Forty-sixth and Illinois as a favorable site for a station, and Chief Hutsel of the present administration has approved this selection. The Board of Safety has conferred with the owner, and, I understand, has an option on the ground. The Board of Works has accepted this action and recommended to the City Council a bond issue for purchase of the lot. I am now informed that this matter will come up for discussion before the City Council at their next meeting, Monday evening, June 6, and we heartily and urgently request favorable consideration of the subject.

The locality adjacent to Forty-sixth and Illinois has become thickly populated in the last year, and it is built up with very fine type of residences. The neighborhood is growing rapidly and we feel that we are due better fire protection than we now have, as far as location of the fire station is concerned. We also believe that the selection of the fire chief as outlined above is an excellent one, and we sincerely hope that favorable decision will be the result of your deliberation at your next meeting.

Please let me know what I may report to our Civic Association in regard to this matter, and oblige

Sincerely yours,

JOHN H. HILKENE, President,
Butler-Fairview Civic Association.

PROTEST AGAINST PROPOSED GENERAL ORDINANCE
NO. 39, 1927

We, the undersigned, owners of more than twenty per cent (20%) of the real estate located in the block, in the City of Indianapolis, bounded on the south by Forty-sixth Street, on the east by Central Avenue, on the north by Forty-seventh Street, on the west by Washington Boulevard, hereby protest against the passage of

proposed General Ordinance No. 39, 1927, through which it is proposed to amend General Ordinance No. 114, 1922, by which proposed amendment, if passed, would change the use of the property located at the northwest corner of Central Avenue and Forty-sixth Street in Indianapolis, Indiana, from a resident to a business use; that the property for which such change of use is proposed is further described as,

Beginning on the west property line of Central Avenue at its intersection with the north property line of Forty-sixth Street thence north with the west property line of Central Avenue, a distance of 83.66 feet; thence west and parallel to the north property line of Forty-sixth Street, a distance of 83.66 feet; thence west and parallel to the north property line of Forty-sixth Street, a distance of 150 feet, thence south and parallel to west property line of Central Avenue, a distance of 83.55 feet, thence east a distance of 150 feet to place or point of beginning.

We further desire to make it known to your honorable body that the rezoning of the above described property from a resident to a business use has been fully and thoroughly investigated and determined against such proposed change by the Board of Zoning Appeals of the City Plan Commission of Indianapolis, Indiana; that we further protest against the practice of being required to defend against the change of use of this property before both the Board of Zoning Appeals and again before your honorable body, the Common Council of the City of Indianapolis.

That this same ordinance was introduced previously to your honorable body on the 25th day of October, 1926, and defeated November 5, 1926. That we were required, to protect our interests, to appear at that time also in protest against the same. That we earnestly feel that it is an imposition for resident property owners of this city to have to be constantly and actively on guard against a persistent real estate agent who is interested only in making a commission trying to use the administrative units of our city government to accomplish it.

We petition your honorable body to protect and conserve our interests in this matter.

CONTRACT

This contract made and entered into at Indianapolis, Indiana, this 20th day of May, 1927, between the City of Indianapolis, by and through its Board of Public Works with the approval of its Mayor, and with the approval of the City Plan Commission, hereafter designated as the party of the first part, and Willard H. Blair, Indianapolis, Indiana, hereafter designated as party of the second part, Witnesseth;

That the party of the First part hereby grants and issues to the party of the second part the exclusive privilege of placing and operating his waste-paper boxes in the district set out below, in the City of Indianapolis, Indiana, upon the following terms and conditions, to-wit:

FIRST. The said boxes shall be placed upon the sidewalks of the City of Indianapolis at such places as may be selected by the Board of Public Works, at the principal street and alley intersections in said city, within the area bounded by Sixteenth Street on the north, White River on the west, State Avenue on the east and McCarty Street on the south. The above district may be enlarged by action of the Board of Public Works, designating the additional area.

SECOND. The said boxes are to be composed of enameled iron and shall be anchored to the sidewalk if deemed necessary by the party of the first part. The side of the box fronting a street shall bear the words "Waste Paper Box." The boxes shall be at least the equal of the ones now in use for the same purpose.

THIRD. The party of the Second part shall pay to the party of the first part the sum of One Dollar and Fifty Cents per month for each box in use. Said sum to be payable monthly in advance on the first day of the month following installation of each box, and in the event that the number of boxes exceed one hundred (100), then the party of the second part shall pay to the party of the first part, the sum of Two Dollars (\$2.00), monthly in advance for each box over the number of One Hundred (100) in use. The party of the second part agrees to keep and maintain a truck for the collection of the contents of the boxes and to carry on said truck, advertising of such a character that will tend to bear out the idea of "A Cleaner Indianapolis."

FOURTH. The party of the second part shall install at least One Hundred (100) of said boxes within a period of sixty days from the ratification of this contract by the Common Council of the City of Indianapolis. The number of boxes installed shall not exceed Three Hundred (300) unless a greater number should be authorized by the Board of Public Works. The party of the second part shall furnish monthly a list of the locations of boxes in operation.

FIFTH. The said boxes are to be maintained, repaired, serviced, inspected and cleaned, free of expense to the party of the first part; and in the event that any part of any of said boxes becomes broken, or any part of the enamel on any of said boxes becomes chipped off or marred in any other manner, and is not repaired within three days after receiving notice from the party of the first part, the party of the second part shall pay to the party of the

first part the sum of One Dollar (\$1.00) for each day that the same is not repaired. The party of the second part shall spray said boxes at regular intervals with an approved solution of disinfectant.

SIXTH. The party of the second part shall have the right to sell and place clean authentic advertising matter upon and within said boxes; the said advertising shall be that of reputable concerns. No advertising shall be displayed on said boxes that is of a lewd or immoral nature nor which pertains to government action; except in times of war or against a common enemy; no advertising of a political nature, local or otherwise, shall be displayed on the boxes, without the approval and consent of the Board of Public works, and all advertising shall be subject to their approval. All revenue derived from the sale of advertising on the boxes and the sale of refuse collected shall belong to the party of the second part solely.

SEVENTH. The party of the second part shall inspect said boxes each day, and shall have them washed in order to maintain them in a sanitary condition at all times. The said party of the second part shall collect all refuse and other litter that has been deposited in said boxes, once each day when necessary, all of which shall be without expense or cost to the party of the first part.

EIGHTH. The said boxes shall be placed and maintained at the sole risk of the party of the second part, but the party of the first part shall accord the usual police protection to prevent injury to or destruction of said boxes.

NINTH. The party of the first part agrees to have removed at its own expense all the waste-paper receptacles that are at the present time within the district covered by this agreement, unless the present owners of the boxes now installed agree and consent to a sale of the boxes at a reasonable price considering the age and condition of them to the party of the second part.

TENTH. The party of the second part shall furnish to the party of the first part an acceptable and suitable bond in the sum of Five Thousand Dollars (\$5,000.00) indemnifying the said party of the first part against any and all damages arising directly or indirectly from the installation and maintenance of said boxes, and also furnish an acceptable and suitable bond in the sum of Five Thousand Dollars (\$5,000.00) for the faithful performance of this contract. The above mentioned bonds shall be furnished upon the signing of this contract and shall be renewed annually during the life of this contract.

ELEVENTH. This contract shall remain in full force and effect for a period of ten years from the date of the final approval of the same by the Common Council of the City of Indianapolis, Indiana. In the event that the party of the second part shall fail to perform any of the terms and conditions of this contract, on its part to be performed, for a period of ten days after a notice thereof from the said Board of Public Works, then the said Board of Public Works in its discretion may terminate this contract and may order any or all of said boxes removed from the streets of said city. This contract may be assigned or transferred only with the consent and approval of the Board of Public Works.

TWELFTH. This contract on the part of the City of Indianapolis shall be of no force and effect unless specifically authorized by ordinance by the Common Council of the City of Indianapolis.

IN WITNESS WHEREOF the City of Indianapolis, by its Board of Public Works and with the approval of its Mayor, and also the approval of the City Plan Commission, party of the first part, and Willard H.
