From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER.
INDIANAPOLIS, IND., April 4, 1910.

To the President and Members of the Common Council:

GENTLEMEN: I herewith submit a communication from the Department of Public Parks asking me to recommend an appropriation of the sum of \$9,878.00 for the construction of a retaining wall along the south bank of Fall Creek, between Illinois street and Capitol avenue.

I herewith submit an ordinance providing for the appropriation asked for, and recommend its passage.

Respectfully submitted,
HOWARD KIMBALL,
City Controller.

DEPARTMENT OF PUBLIC PARKS,
OFFICE OF THE BOARD.
INDIANAPOLIS, IND., April 1, 1910.

Mr. Howard Kimball, City Controller, City:

DEAR SIR: The Board of Park Commissioners would respectfully re-

quest that you recommend to the Common Council the appropriation of the sum of \$9,878 for the construction of a retaining wall along the south bank of Fall Creek, between Illinois street and Capitol avenue.

This is a wall that was planned to be built three years ago when it had become evident that the action of Fall Creek during time of high water was washing the bank away. At that time an appropriation of \$7,000 was made to cover the estimated cost of constructing the wall, but bids received by the Board of Park Commissioners were higher than the amount appropriated, with the result that the wall was not built, and the sum appropriated reverted to the city's general fund. During recent high water a bad wash has developed in the bank at about this point, which threatens to undermine the boulevard pavement unless a retaining wall be built.

HENRY JAMESON,
JOHN J. APPEL,
CHARLES E. COFFIN,
FERD. L. MAYER,

Board of Park Commissioners.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD.
INDIANAPOLIS, IND., April 1, 1910.

To the President and Members of the Common Council:

GENTLEMEN: Regarding the appropriation ordinance now in your hands, providing for the transfer of the balance in the Old City Hall Fund to the New City Hall Fund, we wish to say that the only contract we contemplate letting in the near future is for decorating, and as we believe \$20,000 will be sufficient for this work, we request that you amend said ordinance so as to provide for the appropriation of \$20,000.00.

Yours truly,

C. A. SCHRADER,
CHARLES L. HUTCHINSON,
E. J. O'REILLY,
Board of Public Works.

From City Attorney:

INDIANAPOLIS, IND., April 4, 1910.

To the President and Members of the Common Council:

GENTLEMEN: Enclosed find correspondence from the Board of Works and from the City Civil Engineer, together with the draft of an ordinance and resolution providing for the sale of the property as requested by the Board of Works. The ordinance is drawn under the fiftieth subsection of section 53, of the Thornton's Cities and Towns Act, covering the powers of the Council.

You are requested to give this matter such consideration as you consider best.

Yours truly,

MERLE N. A. WALKER,
City Attorney.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD.
INDIANAPOLIS, IND., March 17, 1910.

Joseph B. Kealing, Corporation Counsel, City:

DEAR SIR: The Board of Public Safety has requested the Board of Public Works to ask for an appropriation to build a fire station on property owned by the city at the northwest corner of New Jersey and South streets; and also recommend the sale of property known as Truck House No. 28, located at No. 227 East South street, and Fire Station No. 12, located at No. 440 Virginia avenue, the proceeds of the sale of these two pieces of property to be applied to the erection of the new building at New Jersey and South streets.

Before taking any steps toward the erection of a new building the Board would like to sell the old fire station sites so as to learn what additional money, if any, will be needed for the new one, and request that you prepare the necessary papers for the sale of this property. However, it strikes me that we should not sell this property until we have a new location for the fire companies located in the old buildings. Perhaps we could sell with the understanding that the property is to be turned over after the completion of the new building, or to give an option for the sale after the completion of the new building.

Please advise the Board in regard to this matter, and oblige.

Yours truly,

F. J. NOLL, JR.,
Clerk Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER,
INDIANAPOLIS, IND., March 24, 1910.
