INTRODUCTION OF APPROPRIATION ORDINANCES

APPROPRIATION ORDINANCE NO. 6, 1964

Introduced by Councilman Moriarty

AN ORDINANCE, appropriating, transferring, reappropriating and reallocating the sum of Thirty Thousand Dollars (\$30,000.00), from a certain specific, designated item and fund in the Department of Public Parks of the City of Indianapolis, to a certain other designated item and fund in the same department, created by virtue of the 1964 Budget, General Ordinance No. 58, 1963, declaring an emergency and fixing a time when the same shall take effect.

WHEREAS, certain extraordinary conditions have developed since the adoption of the existing Annual Budget, and certain monies appropriated for certain accounts of the Department of Public Parks are insufficient to meet current needs of the Department, and

WHEREAS, certain existing appropriations for said department now have unobligated balances which will not be needed for the purpose for which appropriated.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That a certain item and fund specifically budgeted in the Department of Public Parks, be and the same is hereby reduced in the following amounts, to-wit:

DEPARTMENT OF PUBLIC PARKS
DIVISION OF PLANNING AND CONSTRUCTION
BOULEVARD CREW

REDUCE	GAS TAX
4. MATERIALS	
42. Street, Alley & Sewer	\$30,000.00

and said amount is transferred therefrom, reappropriated and reallocated to the following item and fund.

INCREASE	GAS TAX
2. SERVICES-CONTRACTUAL	
26. Other Contractual	\$30,000.00

Section 2. That said funds for the Department of Public Parks are needed for the emergency construction of Boulevards, and to meet such extraordinary Boulevard emergencies.

Section 3. This transfer and reappropriation is necessary due to the fact that the Board of Park Commissioners believed in making its 1964 Budget, that Boulevards should periodically be resurfaced and reconstructed instead of being patched and repaired, and the Bureaus revising and adjusting the annual budget did not follow the recommendations of the Board of Park Commissioners and they cut Fund 26 instead of Fund 42, as recommended by the said Board of Park Commissioners. That it is necessary each year in order to maintain the Boulevard system of the City of Indianapolis, to repave and reconstruct a certain portion of the Boulevard system and the failure to so do would result in more rapid breakup and more extensive reconstruction and repaving in future years, and that the emergency for such work does now exist.

Section 4. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor, and compliance with all requirements for additional appropriations.

Which was read for the first time and referred to the Committee on Finance.
