WHEREAS the major industries of Indianapolis that had then, now continue to have their principal ties with branch headquarters, plants and offices, suppliers, and customers in the Eastern Standard Time Zone, and

WHEREAS, there has existed for the years since 1961 in central Indiana and most of the State, observance of official Eastern Standard Time or of the locally established equivalent of Eastern Standard Time in areas now officially in the Central Standard Time Zone, thus indicating a decided preference on the part of those areas for Eastern Standard Time, and

WHEREAS, the Marion County Central Labor Council, AFL-CIO (representing 70,000 employees in this area) and the Indianapolis Chamber of Commerce (representing the businesses and industries of this area) both have recommended the retention of Indianapolis and Marion County in the Eastern Standard Time Zone; therefore,

BE IT RESOLVED:

(a) that the Indianapolis City Council does go on record as supporting in proceedings now being conducted by the United States Department of Transportation the retention of Indianapolis and Marion County in the Eastern Standard Time Zone;

(b) that the City of Indianapolis, the area AFL-CIO and the Indianapolis Chamber of Commerce ask the United States Department of Transportation in connection with its current hearings on Time in the State of Indiana to examine the briefs and exhibits submitted by the same parties in Interstate Commerce Commission

Proceedings No 10,122, the Indiana Time investigations of 1960 and 1961, and the positions there taken and the evidence in that investigation are readopted and reaffirmed and the City of Indianapolis requests the United States Department of Transportation to consider and re-examine these proceedings which placed the 43 Eastern Indiana Counties in the Eastern Standard Time Zone, and the City takes the official position that to change a time system which is working so well in the area would cause great commercial and industrial disadvantage and inconvenience;

SO ACCORDINGLY, BE IT OFFICIALLY FURTHER
AND FINALLY RESOLVED:

that the Indianapolis City Council does also support and urge in the interest of obtaining the utmost possible statewide uniformity of time observance, the movement of the present official Eastern Standard-Central Standard Time Zone line westward to the Indiana-Illinois border;

that this resolution be formally submitted to the United States Department of Transportation in response to its official request for comment in these present proceedings;

That the City Clerk certify and that the Mayor forward a certified copy of this Resolution to be tendered to the Department of Transportation as the official position of the City of Indianapolis, Indiana in RE: INDIANA TIME ZONE HEARING, OST DOCKET NO. 6, and to be submitted as an official exhibit in such hearing.

SPECIAL RESOLUTION 11, 1967

WHEREAS, Americans everywhere agree that action must be taken now to eliminate the causes which lead to rioting and civil disturbances in our nation.

WHEREAS, The recent lives lost and property damaged in riots that ravaged our cities proved that the cities and states cannot carry the burden alone.

WHEREAS, Only the Congress of the United States has both the responsibility and authority to pass the laws and appropriate the funds for jobs, housing and education needed now by the millions of impoverished Americans.

WHEREAS, History itself has taught us that where these three basic needs are left unmet, all races are trapped in filthy, rat-infested ghettos ripe for rioting or in deplorable conditions which are "dead-end" The answer is a creative, constructive, practical program that will benefit all Americans directly or indirectly—not a giveaway!

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

That the Common Council of the City of Indianapolis, on behalf of the citizens of the City, does hereby support the following program:

1. JOBS: Put people to work. As recommended by the President's Commission on Technology, Automation and Economic Progress, the government should become "the employer of last resort" by providing public service employment opportunities for workers who are unsuccessful in competing for jobs in private industry. This would put every American who is able and willing to work on a job.

2 HOUSING: Slum housing in this nation must go; unsafe, infested buildings must be cleaned up or closed down and decent shelter must be built. Money appropriated for this purpose must be spent carefully and efficiently, and new funds must be appropriated as needed.

3. EDUCATION: A policy should be adopted and implemented to provide free public education from pre-kindergarten up to and including the doctorate level for all, with only ability and motivation serving as qualifying factors.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

That the Common Council of the City of Indianapolis, on behalf of the citizens of this City, does hereby support the proposals of President Johnson for prompt and effective federal action to safeguard cities by action to eliminate the causes which lead to rioting and civil disturbances in our nation and that the Common Council instruct the City Clerk of the City of Indianapolis to forward a copy of this Resolution to President Lyndon B. Johnson, Senator R. Vance Hartke, Senator Birch Bayh and Congressman Andrew Jacobs,

Jr., Congressman William Bray and Congressman Richard Roudebush.

Adopted by the Common Council of the City of Indianapolis this
-----day of-----, 1967.
