REPORTS, ETC., FROM CITY OFFICERS.

The City Attorney submitted the following report, which was read, and the City Clerk and City Civil Engineer instructed to hereafter advertise in the Indianapolis Sun, as per contract heretofore made:

To the Mayor, Common Council and Board of Aldermen:

Gentlemen:—Since your last meeting, the cases of J. A. Dynes & Co. vs. The City, and McMillan vs. The City, have both been disposed of, and in both cases have the suits resulted in favor of the City. Both of these suits were brought to enjoin the city from continuing its legal advertisements in "The Sun," for the reason, as it was alleged in the Dynes case, that the city had an unexpired contract with said Dynes at the time of the execution of the "Sun" contract, and for the reason that the Act of the late Legislature was unconstitutional.

In the McMillan case the latter question was raised, and the further allegation that it was a waste of public revenue.

The Superior Court, all Judges concurring, held said act constitutional, and held further, that the city had the right to make the "Sun" contract. Up to this time the advertisements have been made in both papers, as a matter of safety, and as advised by me. I report these facts in order that you may now instruct the Clerk and City Civil Engineer as to their further action in the matter.

Respectfully submitted,

WM. L. TAYLOR, City Attorney.

The Committee on Fire Department, through Councilman Trusler, submitted the following report; which was concurred in:

P. C. Trusler,

J. C. Finch,
