Gentlemen.—I am informed that on the 11th day of November, 1889, a petition was presented to the Common Council by Val. Schlutzhauer, et al., for the vacation of a supposed alley, 5 feet in width, located 75 feet east of the west line of lots 21 and 22, in Hobb's subdivision of the west part of out-lot 55 in said city (as shown by Plat book 1, pages 31 and 32), and after being referred to a committee, reported back with resolution of reference to the City Commissioners. See printed proceedings, pages 818, 819. Now, without waiving any of the informalities in the proceedings, I desire by way of a remonstrance against any further action of your honorable bodies in the premises, to say that no such alley now or ever existed, that I have owned, and been in honorable possession of 80 feet off the west end of said lots for more than 22 years last passed, and paid all taxes and assessments against the same. That on July 9, 1889, one Yette Kahn, by deed of record, in T. L. R. 211, p. 268, No. 14,894, became the owner of 20 feet east of said 80 feet, and has brought the proceeding to add 2½ feet to her possessions at my expense. I further desire to say that under Sec 3, 185, R. S. 1881, S. and O., 1883, pages 86 and 87, being the owner directly affected and interested, I object to said proposed vacation.
