## COMMUNICATIONS, ETC., FROM MAYOR.

His Honor, the Mayor, presented the following communication :

EXECUTIVE DEPARTMENT,  
CITY OF INDIANAPOLIS,  
INDIANAPOLIS, IND., June 28, 1900. }

*To the President and Members of the Common Council:*

Gentlemen—I have this day approved the following ordinances:

G. O. No. 21, 1900. An ordinance ratifying, confirming and approving a certain contract and agreement made and entered into between the City of Indianapolis, by and through its Board of Public Works, and David M. Parry, St. Clair Parry and Thomas N. Parry, granting authority to locate, construct and maintain a switch, track or tracks in certain streets of the City of Indianapolis.

G. O. No. 25, 1900. An ordinance approving a certain contract granting the Indianapolis Union Railway Company, lessee of the Belt Railroad, the right to lay and maintain certain railroad tracks in the City of Indianapolis.

G. O. No. 26, 1900. An ordinance approving a certain contract, granting the Indianapolis Water Company the right to lay and maintain a switch or side-track across the Crawfordsville road.

Respectfully submitted,

T. TAGGART,  
*Mayor.*

Which was read and ordered spread on the minutes.

His Honor, the Mayor, presented the following communication :

EXECUTIVE DEPARTMENT,  
CITY OF INDIANAPOLIS, }  
INDIANAPOLIS, IND., June 30, 1900. }

*To the President and Members of the Common Council:*

Gentlemen—I return herewith G. O. No. 16, 1900, without my signature. I am advised by the City Attorney that this ordinance is illegal and void:

First. Because the City Charter does not confer power upon the Common Council to provide for the cleaning of dirt from sidewalks by the city and assess the cost thereof against the property adjacent to the part so cleaned.

Second. Even if such power was given by the Charter, this ordinance would be invalid, because it does not provide for giving a hearing to the property owner as to the amount of the cost of such cleaning.

Third. The attempt to give notice to non-residents by posting the same upon the lot is clearly illegal.

Fourth. There is no law authorizing the filing of such liens with the City Clerk.

On account of the foregoing objections, I return the ordinance unsigned.

Respectfully submitted,

T. TAGGART,  
*Mayor.*

Which was read and ordered spread on the minutes.

G. O. No. 19, 1900. An ordinance regulating breweries, brewery agencies and depots; regulating the sale and storage of the products of breweries; regulating the location of breweries, brewery agencies and depots; providing a license and a method of procuring the same; fixing penalties, and providing a time when the same shall take effect.

Made the following report:

INDIANAPOLIS, IND., July 2, 1900.

*Mr. President:*

The Committee on Finance, to whom was referred G. O. No. 19, 1900, having considered the same, recommend that the same do not pass for the following reasons, viz.:

First. We believe the ordinance to be discriminating and unjust.

Second. The proposed license fee of one thousand dollars is excessive, especially for the small dealer.

Third. The requirements of Section 6 are unusual, and almost impossible of fulfillment, and the failure to comply therewith gives cause for fine and the cancellation of license.

Fourth. The requirements of Section 7 are little less than extraordinary, and are objectionable, in as much as it requires the listing of all customers, private or otherwise.

Meters for the measurement of the gas consumed shall be furnished by the corporation, company, firm or individual by whom the gas is supplied, and for the use of each of the same such corporation, company, firm or individual shall be entitled to charge and receive an additional sum of twenty-five cents a month. Sec. 2. That Section 12 of said ordinance be and the same is hereby repealed.

Sec. 3. This ordinance shall take effect from and after its passage.

Which was read a first time and referred to Committee on Public Property and Improvements.

G. O. No. 29, 1900. An ordinance ratifying, confirming and approving the certain contract and agreement made and entered into on the 13th day of June, 1900, between the Indianapolis Clean Street Company and the City of Indianapolis, by and through its Board of Public Works, for the prevention of the casting or leaving upon the streets and public places of the city of waste paper and other litter, and to that end for the erection and maintenance at convenient and suitable places upon such streets, alleys, and public places of suitable boxes for the collection, casting and temporary deposit therein of such waste paper and other articles of litter, and to provide and arrange for the cleaning and keeping clean of such boxes and the removal and disposition of such waste paper and litter, and fixing a time when the same shall take effect.

Whereas, Heretofore, to-wit: on the 13th day of June, 1900, the City of Indianapolis, by and through its Board of Public Works, entered into the following contract and agreement with the Indianapolis Clean Street Company, to-wit:

This agreement, made and entered into this 13th day of June, 1900, by and between the Indianapolis Clean Street Company, party of the first part, and the City of Indianapolis, Marion county, in the State of

Indiana, by and through its Board of Public Works, party of the second part, under and by virtue of the powers conferred upon it by the act of the General Assembly of the State of Indiana, entitled "An act concerning the incorporation and government of cities having more than one hundred thousand population according to the last preceding United States census, and matters connected therewith, and declaring an emergency," approved March 6, 1891, and all acts amendatory and supplemental thereto, witnesseth:

That the said party of the first part, in consideration of the agreements, provisions and considerations hereinafter mentioned and stated, hereby covenants and agrees that it, its successors and assigns, will, as hereinafter specified, for and during the full term of twenty years from and after the execution of this contract, erect, renew and maintain suitable boxes or receptacles, which said boxes or receptacles shall be and remain the property of the party of the first part and shall not be less than three feet six inches in length, twenty inches in width, and fifteen inches in depth, for the collection of waste paper and other litter upon the streets and public places of said city, not including, however, garbage, ashes, manure, or animal or vegetable refuse or matter. Said boxes or receptacles shall not be more than four feet in length, two feet and two inches in width, and twenty-one inches in depth, unless approved by said Board of Public Works. Said boxes or receptacles shall be constructed of some permanent material, consisting of either iron, galvanized iron, tin or other substance which makes a tight, convenient box or receptacle. Said boxes or receptacles may be fastened and placed by said party of the first part, its successors and assigns, upon any sidewalk, curbing, lamp post, electric light post, or other post or spot controlled by and situated in said City of Indianapolis.

And the said party of the first part binds itself, its successors and assigns, to collect from and empty said boxes or receptacles as often as may be necessary to prevent them from becoming overloaded; and it further agrees to maintain the said boxes or receptacles in a cleanly condition for the purposes for which they are or shall be erected.

It is mutually covenanted and agreed that the said party of the first part, its successors and assigns, shall have the right to erect and maintain for the period aforesaid (twenty years) one or more of said boxes or receptacles at any or all street and alley intersections within said City of Indianapolis, and at such other convenient and suitable places on the streets or in the alleys or other public places of said city as may be necessary or proper to receive and to prevent casting or leaving upon the streets and public places of said city of waste paper or other litter, excepting garbage, ashes, manure, and animal or vegetable refuse or matter.

It is further mutually covenanted and agreed that the said party of the first part, its successors and assigns, shall erect not less than fifty of said boxes or receptacles before January 1, 1901, and shall have erected within one year from the execution hereof not less than one hundred, all told, of said boxes or receptacles, and it may from time to time during the existence of this contract construct, erect and maintain as many more of said boxes or receptacles, at all suitable places in said city, as it, its successors and assigns may find it necessary to erect in order to prevent the casting upon said streets, alleys and other public places, of waste paper and other litter. Provided, however, that said party of the first part shall not be required to have and maintain in said city at any one time more than four hundred of said boxes or receptacles.

It is further mutually covenanted and agreed that the said party of the first part, its successors and assigns, shall provide at its or their expense, without cost to said City of Indianapolis, suitable vehicles,

drivers and collectors for the collection and disposal of all waste material in said boxes or receptacles.

It is further mutually covenanted and agreed that said party of the first part, its successors and assigns, shall own and possess all such waste paper, litter and other materials so collected from said boxes or receptacles for and during the life of this contract, and that said party of the first part, its successors and assigns, shall destroy or dispose of said waste paper or other litter so collected, without expense or cost to said City of Indianapolis.

It is further covenanted and agreed that there shall be placed by said party of the first part, its successors and assigns, in a conspicuous place on each box or receptacle put in place in said city, a sign reading as follows; "City Waste Box," and also the number of same. The letters and figures of said signs in no instance, however, shall be less than two inches in length.

It is further agreed by and between the parties hereto that in consideration of the agreement herein for the erection, maintenance, cleaning and collecting from said boxes or receptacles by said party of the first part, and other considerations herein mentioned, the said party of the first part, its successors and assigns, shall have the sole and exclusive right for and during the term of this contract, to utilize and employ any space (excepting that used for the sign, "City Waste Box," and the number aforesaid) upon said boxes or receptacles so erected, for advertising purposes, and the said party of the first part, its successors and assigns, is hereby authorized, empowered, and given the exclusive right, during the life of this contract, to contract for and publish advertising upon said boxes or receptacles for its or their sole benefit, and to collect for its or their sole use the proceeds of such advertising, excepting so much as shall be paid to the City of Indianapolis under this contract.

It is understood and agreed, however, that no advertising shall appear upon said boxes or receptacles which is of an immoral or disreputable character.

It is further mutually covenanted and agreed, in consideration of the granting of said contract by said city, and the acceptance thereof by said party of the first part, and other good considerations herein expressed, that the said party of the first part, its successors and assigns, will, on January 1, 1901, and semi-annually thereafter, submit statements of gross receipts to the Comptroller of said city, and on January 1, 1901, and semi-annually thereafter during the life of this contract, pay to the City of Indianapolis for the privilege of erecting and maintaining said boxes or receptacles, fifteen per cent. of the gross receipts derived from said advertising on said boxes and the sale of the contents thereof.

The said City of Indianapolis may, at its option, by making a written demand upon said party of the first part ten days before the 10th day of January in each year during the life of this contract, examine the books of account touching said advertising of the party of the first part, in order to verify the correctness of the statements herein mentioned as to the amount which shall or may be due the said City of Indianapolis.

It is further mutually covenanted and agreed by and between the parties hereto that no page or advertising printed on paper is to be pasted upon any of the boxes or receptacles to be erected under this contract, but that any advertisement to be placed upon said boxes or receptacles be printed, painted, stamped or marked upon tin or other metal in such a manner that it may be fastened to said boxes or receptacles.

Said party of the first part further agrees to give bond in the sum of ten thousand dollars (\$10,000) from year to year during said period of

twenty years, conditioned for the faithful performance of this contract, with surety to the approval of said Board, and that upon failure so to do this contract may be cancelled by said Board.

To each and all of the terms, provisions and conditions of this contract the Indianapolis Clean Street Company, party of the first part, and the City of Indianapolis, party of the second part, by and through its Board of Public Works, do fully agree and bind themselves, their successors and assigns.

In testimony whereof, the parties hereto have hereunto set their hands and seals in duplicate this 13th day of June, 1900
