COMMUNICATIONS FROM THE MAYOR

March 19, 1941.

To the Honorable President and
Members of the Common Council of
the City of Indianapolis, Indiana.

Gentlemen:

I have this day approved with my signature and delivered to Mr. John M. Layton, City Clerk, the following ordinances:

GENERAL ORDINANCE NO. 9, 1941

AN ORDINANCE to amend General Ordinance No. 114, 1922, commonly known as the Zoning Ordinance.

GENERAL ORDINANCE NO. 15, 1941

AN ORDINANCE prohibiting parking of vehicles upon part of West Morris Street, a street in the City of Indianapolis, providing a penalty for the violation thereof, and fixing a time when the same shall take effect.

SPECIAL ORDINANCE NO. 1, 1941

AN ORDINANCE changing the names of certain streets and naming certain unnamed public ways in the City of Indianapolis; and fixing a time when the same shall take effect.

Respectfully,

R. H. SULLIVAN,
Mayor.

March 19, 1941.

To the Honorable President and
Members of the Common Council of
the City of Indianapolis, Indiana.

Gentlemen:

I am this day returning without my approval General Ordinance No. 14, 1941. I have talked with the Building Commissioner about this ordinance and am withholding my approval with his consent. The ordinance as drafted might render useless a number of buildings and storerooms in Indianapolis upon which the owners thereof are now paying taxes. I have in mind one such building on Alabama Street, directly East of the City Hall. It is a one-story building of several store rooms, with partition walls between the store rooms. I do not know who owns it. At least five of these storerooms apparently do not border in the rear on a street, an alley or open areaway.

Under this ordinance the owner thereof might not be able to remodel said storerooms and if he did without a permit he would be prohibited from renting the same. There are a number of buildings

of the same character which occur both to the Building Inspector and to myself and the Building Inspector states that he can redraft this ordinance to accomplish practically the same results without possible injury to the owners of the property.

Yours very truly,

R. H. SULLIVAN,
Mayor.

INTRODUCTION OF APPROPRIATION ORDINANCES

By the City Controller:

APPROPRIATION ORDINANCE NO. 2, 1941

AN ORDINANCE of the City of Indianapolis, Indiana, appropriating the sum of Three Hundred Ten Thousand Dollars (\$310,000.00) from the proceeds of sale of certain refunding bonds for the payment of certain outstanding bonds of said city not provided for in existing budgets and levies, and fixing a time when the same shall take effect.

WHEREAS, by General Ordinance No. 18, 1941, duly passed by the common council and approved by the mayor, the provisions of which are hereby included herein by this reference thereto, certain refunding bonds of the City of Indianapolis, aggregating a principal amount of Three Hundred Ten Thousand Dollars (\$310,000), were authorized to be issued and sold to provide funds for the payment of certain bonds maturing June 1, 1941, for which no provision has been made in the existing budget and tax levies and no funds are available; and accordingly, the common council now finds that an extraordinary emergency exists for such purpose and to preserve the credit of the city; NOW, THEREFORE,

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

SECTION 1. That the proceeds derived from the sale of the refunding bonds, pursuant to the authority granted by and under General Ordinance No. 18, 1941, are hereby appropriated to and for the use of the Department of Finance for the purpose of paying and cancelling all of such outstanding bonds of the city designated in said ordinance, and described generally as follows, to-wit:

- (1) "City Hospital Bonds of 1911," issued under date of June 1, 1911, the entire issue of one hundred ten (110) bonds, aggregating the sum of One Hundred Ten Thousand Dollars (\$110,000), will mature and are payable on June 1,

1941, and bear interest at the rate of four percent (4%) per annum; and

- (2) "Fire Protection Bonds of 1911," issued under date of June 1, 1911, the entire issue of two hundred (200) bonds aggregating the sum of Two Hundred Thousand Dollars (\$200,000), will mature and are payable on June 1, 1941, and bear interest at rate of four per cent (4%) per annum.

Any surplus of such proceeds shall be credited to the general sinking fund for use as authorized by law.

SECTION 2. Immediately upon the final passage and approval of this ordinance and determination, the city clerk and the city controller shall deliver two certified copies thereof to the auditor of Marion County, with the request that a copy thereof be certified and transmitted immediately by him to the State Board of Tax Commissioners for further action thereon as provided by chapter 150 of the Acts of 1935.

SECTION 3. This ordinance shall be in full force and effect immediately upon its passage and approval by the mayor.

Which was read the first time and referred to the Committee on Finance.

By the City Controller:

APPROPRIATION ORDINANCE NO. 3, 1941

WHEREAS, pursuant to Chapter 135, Acts of 1937, and Chapter 168, Acts of 1941, of the General Assembly of the State of Indiana, certain funds, heretofore unexpended and unappropriated, have been distributed and are available for use by the City of Indianapolis from the "Motor Vehicle Highway Account" of the State of Indiana for certain purposes; and

WHEREAS, an emergency is deemed to exist in that funds appropriated in the 1941 budget are inadequate for the purpose of construction, reconstruction, repair and maintenance of streets and highways by reason of the increased business activity arising from our defense efforts; NOW, THEREFORE,
