INTRODUCTION OF RESOLUTIONS

By Councilmen Bach, Campbell, Deluse, Hemphill, Moore, Ransom, Ross and Wood:

RESOLUTION NO. 4, 1941

A RESOLUTION urging the Mayor to proclaim daylight saving for the City of Indianapolis.

WHEREAS, the adoption of daylight saving time in Indianapolis is being deferred temporarily by the continued delay in publication and distribution of the official acts of the 1941 general assembly, which includes an act repealing a prohibition against daylight saving time in cities of the first class; and

WHEREAS, a majority of citizens have indicated in various polls conducted throughout the city that they are overwhelmingly in favor of such time change; and

WHEREAS, a national defense emergency now exists which has caused the federal government to give serious consideration to a proposal calling for adoption of daylight saving time on a nation-wide scale, either by act on Congress or by a proclamation by the President, for the purpose of speeding up defense work; and

WHEREAS, it now appears that the benefits of daylight saving time will be lost to the citizens of Indianapolis for most of the summer unless some immediate action is taken to adopt it on an unofficial basis;

THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS that we urge Mayor Reginald H. Sullivan to establish daylight saving time on an unofficial basis, either by proclamation or executive order, pending such time as the official acts of the 1941 general assembly are published and distributed and an ordinance can be passed establishing daylight saving time on an official and legal basis.

BE IT FURTHER RESOLVED that such proclamation or order acquaint the public with circumstances which have precluded passage of a daylight saving ordinance by the council for several weeks and solicit the co-operation of all citizens and business places in observing the time change until it can be adopted legally.

BE IT FURTHER RESOLVED that we suggest such time change be made effective as of 1:00 a. m., Sunday, June 22nd, 1941, and continue until publication of the official acts of the last legislature will permit legal passage of a daylight saving ordinance by the council which will designate the dates for the earlier time.

Passed by the common council of the city of Indianapolis under suspension of rules this sixteenth day of June, 1941.

Which was read the first time and referred to the Council as a Committee of the Whole.
