Provided that, an employee receiving workmen's compensation may only receive holiday pay until the injury for which the employee is receiving workmen's compensation has received a permanent disability rating or for a twelve (12) month period, whichever occurs first. In Monday-through-Friday operations, there shall be no duplication or pyramiding of holiday pay for holidays falling on Saturday or Sunday but which are observed on other days.

(g) Failure to report for scheduled work. Any employee scheduled for work on a day designated as a holiday, who fails to report for work or absents himself or herself for that day, shall not be eligible for holiday pay or compensatory time off as the case may be. Regardless of whether the absence is approved or not, any employee scheduled to work on a holiday, who fails to work that holiday, must use paid leave time to be paid for that day.

(h) [Part-time employees.] Part-time employees shall receive holiday pay only if they are normally scheduled to work on the day that has been designated as a holiday and only the hours the employee would normally be scheduled to work.

(i) [Temporary employees.] Temporary/seasonal and part-time/temporary employees do not receive holiday pay.

Sec. 23-33. Death leave.

Upon the death of a member of the immediate family, i.e., spouse, mother, father, son, daughter, brother, sister, step-mother, step-father, step-son, step-daughter, step-brother, step-sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, grandmother, grandfather, grandson, grand-daughter or other relative who was residing with the employee, an employee will receive a maximum of three (3) working days leave with pay. The appropriate official has discretion to grant three (3) days for leave to be charged against any earned leave time for a death of someone other than those listed above. Documentation of the appropriate circumstances may be required of the employee, e.g., death certificate or article. Additional time off to be charged to earned leave time, if available, or without pay may be granted at the discretion of the city or county office, department, division, bureau or commission.

Sec. 23-35. Perfect attendance leave.

(a) Full-time employees shall receive one perfect attendance day (eight (8) hours for Unigov departments and appropriate county and township assessors' offices or seven and five tenths (7.5) hours for the appropriate county and township assessors' offices) for each four-month period in which no sick time or unpaid leave of absence time has been used:

January 1st - April 30th
May 1st - August 30th
September 1st - December 31st

Such leave shall be credited to the employees account May 1st, September 1st and January 1st, following the trimester worked.

(b) If the perfect attendance leave is not used prior to December 31st of each calendar year, up to a maximum of three (3) days earned perfect attendance leave may be carried over from one calendar year to the next calendar year. Perfect attendance leave carried over in excess of three (3) days is automatically converted to sick leave and added to the employee's accumulated sick leave bank.

(c) Prior approval to take such leave must be obtained from the appropriate supervisor.

(d) Part-time employees shall receive perfect attendance leave on a pro-rate basis depending upon the percent of the work week the employee is scheduled to work in each four-month period.

(e) Temporary/seasonal and part-time/temporary employees shall not receive perfect attendance leave.

(f) New hires [employees] will receive perfect attendance leave upon completing a full calendar trimester as defined in subsection (a).

(g) Perfect attendance leave may only be charged in one full work day increments.

(h) Perfect attendance leave cannot be earned while on any leave-without-pay status or while on sick leave. Provided that, an employee's use of sick time while on workmen's compensation or leave related to workmen's compensation will not affect perfect attendance accrual.

Sec. 23-36. Military leave.

Military leave shall be granted in accordance with appropriate State and Federal law. In accordance with State law, a maximum of fifteen (15) eight (8) hour working days of paid military leave shall be granted. If an employee exceeds fifteen (15) days of military leave, then he/she may elect to go on leave without pay or to exhaust appropriate paid leave.

SECTION 2. This ordinance shall be in full force and effect upon adoption and compliance with IC 36-3-4-14.

PROPOSAL NO. 669, 1985. This proposal expresses the current intent of the City-County Council to consider annual appropriations to a debt service reserve fund of the Indianapolis Local Public Improvement Bond Bank. Councillor Borst explained that this is strictly an ordinance that will make the Council aware of the provisions and procedures of the State laws concerning the Indianapolis

Local Public Improvement Bond Bank. It will not commit the City-County Council to any of its debts or liabilities. Also, the ordinance was amended at the Metropolitan Committee meeting of October 23, 1985, by adding a section to clarify the ordinance. In no way does it change the meaning of the original, and does not obligate or create a debt to the City. NOW, THEREFORE, BE IT ORDAINED BY THE CITY-COUNTY COUNCIL OF
THE CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA

SECTION 1. The City-County Council hereby recognizes its authority under I.C. 5-1.4-5-4 to annually appropriate a sum to the Indianapolis Local Public Improvement Bond Bank for deposit in one or more debt service reserve funds. PROPOSAL 671, 1985. This proposal amends the Code to allow changes of various intersection controls. Councillor Gilmer explained that this proposed ordinance is to eliminate the problems of the cross traffic. There have been no mishaps. However, the area is traveled by several school buses, and neighbors greatly support of the installation of a four-way stop at this location. The last portion of Proposal No. 671 would allow for a four-way stop at the intersection of Guilford Avenue and E. 61st Street. Traffic uses this intersection as a short cut, so placing stops at each of these streets would break up this activity. The southbound traffic on Westfield does not have to stop. An amendment was made to Proposal No. 671, 1985, during the Transportation Committee meeting of October 23, 1985, to change a wrong description on the original proposal. The Transportation Committee on October 23, 1985, recommended Proposal No. 671, 1985, Do Pass As Amended by a vote of 5-0. Councillor Gilmer moved, seconded by Councillor Campbell, for adoption. PROPOSAL NO. 672, 1985. This proposal imposes prerequisites to the execution of city contracts with contractors who engage in business activities with the Republic of South Africa or Namibia. The Rules & Policy Committee on October 22, 1985, recommended Proposal No. 672, 1985, "Strike" by a vote of 4-0. Councillor Boyd explained that this proposed ordinance would prohibit a business that holds a city contract from selling goods or services other than food or medical supplies to certain agencies of the South African government. Also, the

proposal calls on the mayor to appoint a task force to recommend what action the city could take in divesting City pension fund money from South African-connected investments. He believes that hopes for the South African government working things out is no longer possible. He reported that America is pulling against this government by doing away with any business activities in South Africa. Such companies as Pepsi Cola, Apple Computer, Coca Cola, and General Foods have closed their companies in South Africa. The struggle against apartheid, and the South African government's resistance to that struggle have implications far beyond the borders of South Africa. The peaceful abolition of the apartheid system, and the political inclusion of all South Africans represent the only hope for regional security and economic development of neighboring black independent African nations. Even though no formal diplomatic ties exist between South Africa and most of its neighbors, trade, commercial, and other arrangement have existed for years, and the economic growth of these nations is very much dependent on the actions of South African government. Councillor McGrath stated that his position against Proposal No. 672, 1985, is not within the intention to forget about the citizens of the Republic of South Africa. However, he believed that eliminating the freedom for American corporations to continue business with another corporation is discriminating and would require the City to be able to investigate confidential information of area businesses. Councillor McGrath moved, seconded by Councillor Curry, to Strike Proposal No. 672, 1985. Proposal No. 672, 1985, was Striken on the following roll call vote; viz:

18 AYES: Bradley, Clark, Cottingham, Coughenour, Crowe, Curry, Dowden, Giffin, Gilmer, Holmes, McGrath, Miller, Nickell, Rader, Schneider, SerVaas, Shaw, West

PROPOSAL NO. 689, 1985. This proposal urges abolition of apartheid. Councillor Curry explained that this proposed resolution states the Council's objections to apartheid, but calls for no sanctions. It suggests that United States investment in other nations be governed by what is known as the "Sullivan Principles," which include provisions for non-segregation and equal employment practices. The Rules & Policy Committee on October 22, 1985, recommended

Proposal No. 689, 1985, Do Pass by a vote of 4-2. Councillor Curry moved, seconded by Councillor Shaw, for adoption. Proposal No. 689, 1985, was adopted on the following roll call vote; viz:
