GENERAL ORDINANCE NO. 107, 1948.

AN ORDINANCE to Modify and Revise General Ordinance No. 74, 1948, adopting the annual budget and tax levies of the City and its Department of Public Sanitation and Public Health and Hospitals for the calendar year 1949, to conform to the final order thereon of the State Board of Tax Commissioners, and pursuant to the statutory requirements; and fixing a time when the same shall take effect.

WHEREAS, the State Board of Tax Commissioners, upon the separate appeals by the City of Indianapolis, and by its Department of Public Health and Hospitals, from the order of the Marion County Board of Tax Adjustment (hereinafter referred to as "county board"), which had changed and modified certain specific items and amounts of two appropriations and five separate tax levies, as previously adopted by the Common Council in the annual budget for the year 1949, by General Ordinance No. 74, 1948, has entered its final order upon such appeals, whereby it requires the Common Council, as provided by the statute thereon, to modify and change, as it may determine the respective relevant classifications in such budget and the respective tax levies, as so directed; and such final order, in substance, specifies such action, or changes, to be effected by the Common Council, as follows:

1. To reduce by \$2,700.00 the total of \$37,840.00 for the several appropriations contained in "Classification 1—Services Personal" in the budget for the Department of Law of said city, which are included in items 11 and 13 of such classification, making such new total \$35,140.00, and making the new Grand Total of said department, \$51,255.00 for all its classifications.

To restore, under item 11 of "Classification 1—Services Personal" of the Police Department, in the City's budget, for its Department of Public Safety, the 25 Probationary Patrolmen and their salaries of \$2,400.00 each per year, eliminated by said county board, so that said item will provide for 50 such persons at such salary each, and so remain as originally adopted by said budget.

3. To restore .043 in the tax levy for the City's general fund

and so to increase by that amount the rate of .963 as fixed by said County board upon reducing the original rate of 1.135 adopted by the Common Council; thereby fixing the final rate of such tax levy at 1.006.

5. To restore the .004 reduction by said county board in the tax levy for Firemen's Pension Fund; so that such final tax levy shall remain at .090.

6. The appeal by said Department of Public Sanitation is denied; whereby the reduction of .015 by said county board in the tax levy for its general fund, thereby reducing such final tax levy from .195 to .178, is confirmed.

7. The appeal by said Department of Public Health and Hospitals is denied; whereby the reduction of .042 by said county board in the tax levy for its general fund, thereby reducing such final tax levy from .317 to .275, is confirmed; and

WHEREAS, under the express provision of the statute thereon, it is the exclusive right and function of the Common Council to determine how and where any changes and reductions, as so made by any reviewing board, shall be applied and effected in modifying and reallocating the total amount of the appropriations for any of the several general classifications of the city budget, as prescribed by the State Board of Accounts; and the statute further expressly forbids any such reviewing board either to eliminate, or to designate for any such change therein, any particular item, or items, which are included and set out within any such general classification, so that any reference by said county board to a specific item to be eliminated was beyond its powers and void;

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:
