## COMMUNICATIONS FROM CITY OFFICIALS

November 9, 1949

Mr. Noble P. Hollister  
Executive Secretary  
City Plan Commission  
Indianapolis, Indiana

Dear Mr. Hollister:

Pursuant to Chapter 216 of the Acts of the Indiana General Assembly 1949 there was filed with the Council on November 1, 1949 a petition for the annexation of certain contiguous territory to the City of Indianapolis.

Attached is copy of Special Ordinance No. 6, 1949 covering the territory described in said petition. This ordinance has been referred to the Council Committee on Public Health, Mr. Seidensticker, chairman.

According to the agreement discussed at the joint meeting in the Council Chambers on September 14, 1949, it was decided that the City Plan Commission would study petitions for annexation and co-ordinate the reports of other effected City Departments in order that the Council Committee and the Council would have a complete picture and report before taking final action on a pending ordinance.

Attention is called to the new 1949 Act which provides that if said ordinance is not passed by the Council within sixty days from filing of petition, the petitioners can request the Circuit Court to hear the matter and if not detrimental, order annexation therewith. I mention this only to call attention to the fact that this matter should be followed up without unnecessary delays in order to be completed within the statutory time.

Sincerely yours,

RICHARD G. STEWART

of the Common Council
