To the President and Members of the Common Council:

GENTLEMEN—I would respectfully ask for an appropriation, for the use of the Department of Finance, of the sum of one hundred and fifty-two thousand, nine hundred and seventy-eight dollars and sixteen cents, to pay temporary loans and interest thereon due April 16 and May 1, 1894.

DEPARTMENT OF FINANCE.
OFFICE OF CITY COMPTROLLER,
INDIANAPOLIS, IND., January 9, 1894. }

To the President and Members of the Common Council:

GENTLEMEN—I beg leave to call your attention to the fact that bonds of the City of Indianapolis, known as "Series A" and "Series B," aggregating \$600,000, became due July 1, 1893. An unsuccessful attempt was made to refund these bonds, and at the same time sell new bonds amounting to \$21,000, which were included in the same issue.

The old bonds, "Series A" and "Series B," are now held by different firms and individuals, under an agreement by which the city may at any time after January 1st take up said bonds by giving thirty days notice and paying one-half of one per cent. for the privilege. I am of the opinion that the state of the market is now favorable for the sale of the city's bonds, and that the indebtedness represented by the bonds known as "Series A" and "Series B" should now be refunded by the issue and sale of new bonds.

I therefore respectfully recommend that the bonds now on deposit with Winslow, Lanier & Company, amounting to \$621,000, which were refused by Coffin & Stanton (the successful bidders), be recalled and cancelled, and that the Common Council provide by ordinance for the issue and sale of refunding bonds for the purpose of refunding the said indebtedness of \$600,000.

Respectfully submitted,
P. C. TRUSLER,
City Comptroller.

Which were read and received.

REPORTS, ETC., FROM STANDING COMMITTEES.

Made the following report:

Mr. President:

Your committee, to whom was referred G. O. No. 80, 1893, being an ordinance providing for standing and special committees on investigation and impeachment, beg leave to recommend that said ordinance be amended as follows:

Add the letter "s" to the word "Regulation" in the third line of the title of said ordinance.

Amend division or clause numbered two of Section 5, by adding after the word "counsel," which is the last word in the last line of said division, the words "and the prosecution shall also be represented by counsel."

Amend division or clause numbered one in Section 5, by striking out the word "served" in line three of said division or clause and section, and in its place insert the word "prepared," and after the words "City Clerk" in same line add and insert the words "and may be served by any police officer of said City of Indianapolis."

When so amended we recommend that said ordinance be passed.

GEO. MERRITT,
L. W. DREW,
WM. HENNESSY,
Judiciary Committee.

Which was read and concurred in.

An ordinance authorizing the employment of certain clerks, assistants and employes, and providing for their compensation; providing for the compensation of certain officers, heads of departments, clerks and employes; fixing the compensation, salaries and wages of certain officers, clerks and employes of the City of Indianapolis, Indiana; repealing conflicting ordinances, and fixing the time when this ordinance shall take effect.

Made the following report:

INDIANAPOLIS, January 9, 1894.

Mr. President:

Your Special Committee on Salaries to which was referred G. O. No. 79, 1893, beg to make report as follows:

By clerical error the salary of the Mayor was made to read three thousand dollars per annum instead of four thousand dollars per annum.

We therefore recommend that the word "three" in line number two in subdivision one of Section 2 be struck out, and the word "four" inserted in lieu thereof.

We also recommend that the word "sixteen" in line number six in subdivision one of Section 6 be struck out and the word "eighteen" inserted in lieu thereof, thereby making the salary of the building inspector eighteen hundred dollars per annum instead of sixteen hundred dollars per annum.

When amended as above we recommend that the ordinance be passed.

Respectfully submitted,

Which was read and concurred in.

Mr. Rauh, chairman of Finance Committee, submitted the following from City Attorney Scott :

DEPARTMENT OF LAW, }
CITY OF INDIANAPOLIS. }

Mr. Henry Rauh, Chairman Finance Committee Common Council, City:

SIR—You have requested my opinion as to whether the indexing of the Council proceedings is a part of the official duty of the City Clerk, or whether such work is to be done by the City Clerk or other person under contract?

It is provided by Section 17 of the Charter with respect to the duties of the Clerk :

“The City Clerk shall be the Clerk of the Common Council. It shall be his duty to keep the files and papers thereof, to make and keep an accurate minute and journal of the proceedings, enter the ayes and noes on the passage of every ordinance and resolution in full, and on all other votes whenever requested to do so by two members.”

It is further provided by Section 47, among other things, that he shall perform all other duties prescribed by law or incidental to his office ; that he shall receive a salary of three thousand dollars per year for all such service, and shall not receive any other compensation, fee or perquisite, except for furnishing certified copies of the records in his possession, for which he shall receive like fees as paid to the County Clerks for similar services. He may also be authorized by the Common Council to employ a deputy at a salary not to exceed twelve hundred dollars per year.

I am of the opinion under these provisions, that it is the official duty of the City Clerk to prepare proper indexes of the journal of proceedings as incidental to his duties in making and keeping an accurate minute and journal of the proceedings of the Common Council. It is no doubt the intent that said journal proceedings should be in such form as to be convenient for use and reference, which it could not be without an index, and therefore the indexing is incidental and necessary to the proper making and keeping of the journal as prescribed by the Statute.

Your inquiry as to indexing seems to cover a period preceeding the commencement of the term of the present City Clerk, and the further inquiry naturally arises, as to whether it is his official duty to index the journal of the proceedings prior to the commencement of his term?

I am of the opinion it is, if the former Clerk has not brought this work up to date of the expiration of his term. One accepting a public office does so with its burdens, and among these burdens the incompleting work pertaining to the office. The burden is perhaps properly equalized in the end, for the present Clerk, at the expiration of his term will, no doubt, have work on hand pertaining to the office and incidental thereto not completed, which will go as a burden with the office to his successor.

I think clearly under the statute there can be no extra compensation paid for such services. The salary and fees prescribed by the statute for the Clerk, being in full compensation for his services.

I herewith return all papers.

Very respectfully,
J. E. SCOTT,
City Attorney.

Which was read and received, and, on motion of Mr. Raub, was referred back to Committee on Finance, with instruction to forward copy of same to Board of Public Works.
