Which motion prevailed.

## COMMUNICATIONS, ETC., FROM MAYOR.

His Honor, the Mayor, presented the following communication:

EXECUTIVE DEPARTMENT,  
CITY OF INDIANAPOLIS.  
June 3, 1895. }

*To the President and Members of the Common Council:*

GENTLEMEN—Since your last meeting I have approved G. O. No. 26, of 1895, being an ordinance to amend Section one (1) of an ordinance entitled "An ordinance defining the fire limits in the City of Indianapolis," etc., which was approved July 25, 1894.

I have also approved Resolution No. 2, of 1895, authorizing the Board of Public Works to print in pamphlet form the annual reports for 1894.

Respectfully submitted,

C. S. DENNY,  
Mayor.

Which was read and ordered spread on the minutes.

REPORTS FROM OFFICIAL BOARDS.

Communication from Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,  
CITY OF INDIANAPOLIS,  
May 29, 1895. }

*Hon. William H. Cooper, President Common Council, City of Indianapolis:*

DEAR SIR—We have advertised for bids for three engine houses—one on Kenwood avenue and 22nd street, one on Beville avenue, between Washington street and Michigan street, known as single houses, and one for Hillside avenue, known as a double house. To build these three engine houses the lowest bid is \$12,918, which is in excess of the appropriation about \$918. There was set aside by the Council as a fund to build engine houses \$11,300; also \$700 for a Veterinary Hospital, which was afterwards put into the building fund. This would make a total of \$12,000., leaving a deficit on the first contract of \$918, to which add 1 ½ per cent. architect's fees for plans accepted and other incidental expenses which would probably run the deficit up to \$1,500.

The Board of Public Works feels that so long as the Council had appropriated \$12,000 with which to build two engine houses, that they would consistently give us \$1,500 more, a sufficient additional amount to enable us to build three engine houses, which, in the minds of this Board, are equal if not better than was possible to have been built at the time the appropriation was made.

We therefore ask that you give us an additional appropriation of \$1,500.

If you can consistently pass upon this ordinance next Monday evening, it will save about \$600 by letting the contract at one time.

Very respectfully,

W. B. HOLTON,  
JNO. OSTERMAN,  
*Board of Public Works.*

*Mr. P. C. Trusler, City Comptroller:*

DEAR SIR—The above request to the Council is respectfully referred to you for your approval.

[Approved May 31, 1895. P. C. TRUSLER, *City Comp.*]

Which was read and referred to Committee on Finance.

Communication from Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,  
CITY OF INDIANAPOLIS,  
June 1, 1895. }

*To the President and Members of the Common Council:*

GENTLEMEN—We herewith submit for your consideration and subject to your approval a proposed compromise settlement with F. Ballweg and others, with respect to assessments on account of the main intercepting sewer.

If you approve the proposed settlement as evidenced by the contract herewith submitted, there will then exist an emergency for an appropriation to this Department in the sum of five thousand nine hundred and sixty-three and 4-100 dollars to pay the city's assessment under said settlement.

We request the approval of the settlement, and that said sum be appropriated to this Department for the purposes stated.

Respectfully,  
 W. B. HOLTON,  
 E. L. ATKINSON,  
 JOHN OSTERMAN,  
*Board of Public Works.*

I respectfully recommend that the foregoing request for an appropriation be granted, and that said appropriation be made for the purpose stated.

P. C. TRUSLER,  
*City Comptroller.*

Which was read and referred to Committee on Finance.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That there be, and hereby is, appropriated, out of the funds of the City of Indianapolis, Indiana, the sum of fifteen hundred dollars, to be used with the money on hand in building three engine houses, to be placed as ordered by the Board, one each in the northern, eastern and northeastern part of the city.

SEC. 2. This ordinance shall take effect and be in full force from and after its passage.

Which was read a first time and referred to Committee on Finance.

By Board of Public Works:

Special Appropriation Ordinance No. 1, 1895. An ordinance appropriating \$5,963.04 to the Department of Public Works for the payment of an assessment against the City of Indianapolis on account of the main intercepting sewer, as provided by compromise settlement contract dated June 1, 1895, between the City of Indianapolis and F. Ballweg and others.

SECTION 1 Be it ordained by the Common Council of the City of Indianapolis, Indiana, That out of the unexpended funds of the treasury of said city, not otherwise appropriated, the sum of five thousand nine hundred sixty-three and 4-100 dollars (\$5,963 04) be and hereby is appropriated to the Department of Public Works of said city for the payment of the assessment against the City of Indianapolis, on account of the main intercepting sewer, as fixed by a compromise agreement between said city and F. Ballweg and others of date June 1, 1895, and the corrected partial assessment roll approved by the Board of Public Works June 1, 1895.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to Committee on Finance.

#### INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

Under this order of business, the following ordinances were introduced:

By Board of Public Works:

Special Ordinance No. 1, 1895. An ordinance ratifying, confirming and approving a certain contract and agreement relative to the payment of the assessments for that part of the main intercepting sewer that extends through condemned ground, made and entered into on the first day of June, 1895, between the City of Indianapolis, by and through its Board of Public Works, and F. Ballweg and other property holders, and Wilding and Derheimer.

WHEREAS, Heretofore, to-wit: On the first day of June, 1895, the City of Indianapolis, by and through its Board of Public Works, entered into a certain contract and agreement with F. Ballweg and other property holders, and Wilding and Derheimer, as follows:

THIS AGREEMENT, Made and entered into this first day of June, 1895, by and between the City of Indianapolis, Marion County and State of Indiana, by and through its Board of Public Works, party of the first part, F. Ballweg and William Bizzard, Messrs. Bauer and Goepper, H. Emerich, O. B. Pauline, A. L. Monfort, Louisa A. Wright and the Premier Steel Company, John E. McGettigan, receiver, parties of the second part, and Wilding and Derheimer, contractors, party of the third part,

WITNESSETH: That,

WHEREAS, Said first party, by resolution of its Board of Public Works, adopted April 17, 1893, proceeded to condemn and appropriate for a right of way for the main intercepting sewer in said city, a strip of ground twenty (20) feet in width, from White River to Merrill street, on the line described in said resolution, notice of the passage of which resolution was thereafter published, and on the 8th day of May, 1893, the day set for hearing the same, said Board confirmed said original resolution; and,

WHEREAS, Such proceedings were thereafter had before the then existing Board of Public Works as that on July 7th, 1893, the day set for hearing remonstrances against such proposed condemnation, the Board confirmed and awarded all the

benefits and damages occasioned by such proposed condemnation of such strip through the real estate owned by each and every of said second party to be equal; and,

WHEREAS, Said second party contends that there was an agreement between each of the owners of said real estate and the City of Indianapolis that the amount of benefits to be assessed should equal the amount of damages that should be awarded from the condemnation of said twenty (20) foot strip, the consideration for which agreement was that the City of Indianapolis should not charge any local assessment against any of the real estate described in said condemnation proceedings; and that in pursuance of said agreement said second party filed no remonstrance or objection to said condemnation, but said twenty (20) foot strip was condemned, and thereafter by resolution, notice and order duly passed, the contract was let, and said Wilding and Derheimer constructed in pursuance of said contract said main intercepting sewer in and along said described twenty (20) foot strip of ground from White river to Merrill street, with branches extending east on Merrill street and northwest to Kentucky avenue, all in accordance with the plans and specifications duly adopted by said Board; that thereafter said sewer was completed and duly accepted, and the assessments for the cost thereof made and placed upon the duplicate and delivered to the Treasurer of Marion County for collection; and,

WHEREAS, Said second party contends that by mutual mistake of and between the City of Indianapolis and the owners of said real estate, the above agreement as to assessments against the property described in said condemnation proceedings for the construction of said sewer was not carried out, for the reason that the new Board of Public Works was not aware of such former agreement, but instead thereof assessed against the lots owned by said party of the second part and described in said condemnation proceedings both a local and a district assessment; and,

WHEREAS, A great hardship has resulted to said property holders because of said facts, and it being deemed just and equitable that a settlement and compromise of all the matters in dispute be carried out as nearly as may be.

NOW THEREFORE, As a compromise, settlement and adjustment of all matters, it is hereby mutually agreed between all of said parties as follows:

*First.* That the accompanying revised partial assessment roll be adopted and approved, and that the original assessment roll heretofore made be modified and canceled so far as the same relates to the real estate described in said revised partial assessment roll, each party to pay the amount set forth on the accompanying revised partial assessment roll, as assessments for the lots therein described.

*Second.* Said third party agrees that in consideration of the payments as aforesaid, they will rebate ten per centum from the balance left after deducting such revised local assessment from the original local assessment made against the real estate described in said condemnation proceedings, and in the accompanying partial revised assessment roll.

*Third.* The following partial revised assessment roll shows the owners' names, the description of the real estate, the original local assessment, the revised local assessment, the district assessment, together with the revised local and district assessments against the real estate described in said condemnation proceedings, which is here agreed to, ratified and approved, to-wit:
