PROPOSAL NO. 488, 1986, appropriates \$60,000 for the Department of Transportation, Parking Meter Division, to repair curbs and sidewalks in the Mile Square. The Transportation Committee on October 8, 1986, recommended Proposal No. 488, 1986, Do Pass by a 5-0 vote.

He added that locations to receive repairs from the appropriation were South Meridian and South Pennsylvania Streets.

Councillor Strader stated that he asked during the October 13, 1986, meeting of the Council if this type of an appropriation could be used in neighborhoods where there are parking meters.

PROPOSAL NO. 612, 1986. This proposal transfers and appropriates \$3,294 for the Superior Court, Civil Division, Room 5, to upgrade two typewriters and to purchase an electric typewriter with stand. Councillor Dowden reported that the Public Safety and Criminal Justice Committee on October 15, 1986, recommended Proposal No. 612, 1986, for action without recommendation by a 5-3 vote. Councillor Dowden explained that testimony in Committee revealed that

the upgrade could wait until 1987. Councillor Dowden moved, seconded by Councillor Journey, for the vote.

It was Councillor Page's opinion that Councillors should vote consistently on proposals concerning end of the year transfers.

Councillor Clark mentioned that each proposal should be judged on its own merit.

Councillor Journey suggested that one way to solve the dispute would be to approve a resolution to the fact that there would be no approval of monetary transfers after October 1 of each year.

At Councillor Boyd's request, Ms. Jeannie Merkler, Court Reporter for Civil 5, addressed the Council.

Ms. Merkler explained that the Court "has not traditionally come before the Council for transfers at the end of the year". She added that this would be the second upgrade to the memory typewriters which were purchased in 1984.
