CITY-COUNTY SPECIAL RESOLUTION NO. 41, 1989

A **SPECIAL RESOLUTION** concerning the flag of the United States.

WHEREAS, Indianapolis, located in the grass roots and heartland of America, is the home of the 4.1 million member American Legion, is the site of the impressive Indiana War Memorial and the Soldier and Sailors Monument which remembers and honors those patriotic men and women who served their country to defend the freedom and liberties which the American flag represents; now therefore:

PROPOSAL NO. 339, 1989. Councillor Dowden reported that the Public Safety and Criminal Justice Committee heard Proposal No. 339, 1989, on June 28, 1989. By a 5-0-1 vote, the Committee reported the proposal to the Council with the recommendation that it do pass.

Councillor McGrath, the sponsor of the proposal, expressed his full support for this proposal and indicated that the new fire station is needed desperately.

The President called for public testimony at 8:22 p.m.

Margorie Nackenhorst voiced her support for this new fire station. She indicated that she and Councillor McGrath went to look at the present station, and in their opinion the floor is not strong enough to hold all the trucks and could collapse at any time.

Carl Moldthan, Indianapolis Taxpayers Association, stated that there is no "history" on the southside, and because this fire station is a historical building, it should be simple

restored and the floor fixed. He indicated there are other fire stations that need repair work done that are in worst condition than this particular station. The Council should prioritize the stations in need and go from there.

Councillors Irvin and Strader corrected Mr. Moldthan's statement that there is "history" on the southside.

There being no further testimony, Councillor Dowden moved, seconded by Councillor McGrath, for adoption. Proposal No. 339, 1989, was adopted on the following roll call vote; viz:
