PETITIONS, MEMORIALS, SPECIAL RESOLUTIONS AND COUNCIL RESOLUTIONS

Vice President SerVaas called for presentation of petitions.

PROPOSAL NO. 492, 1973. Introduced by Councilman West. Councilman West read the proposal for a Council Resolution expressing to the Environmental Protection Agency its opposition to the Proposed Regulations of the Federal Transportation Control Plan for Indianapolis of the Environmental Protection Agency and supporting the statements of the Mayor of Indianapolis and the Council's Committee on Economic Development at EPA public hearings in Indianapolis, November 28 and 29. Following discussion, Councilman West moved, seconded by Councilman McPherson, to adopt Proposal No. 492, 1973. The proposal was adopted by unanimous voice vote. Proposal No. 492, 1973, was retitled Council Resolution No. 16, 1973, and reads as follows:

COUNCIL RESOLUTION NO. 16, 1973

A PROPOSAL FOR A COUNCIL RESOLUTION expressing to the Environmental Protection Agency its opposition to the Proposed

Regulations of the Federal Transportation Control Plan for Indianapolis of the Environmental Protection Agency and supporting the statements of the Mayor of Indianapolis and the Council's Committee on Economic Development at EPA public hearings in Indianapolis, November 28 & 29.

WHEREAS, the City of Indianapolis and the County of Marion over the past six years have successfully instituted numerous environmental improvements by a professionally managed air pollution control program in keeping with the federal goals of the Clean Air Act of 1970; and

WHEREAS, the Mayor of the City of Indianapolis, the Economic Development Committee of the City-County Council of Indianapolis-Marion County, many City and County officials, and numerous citizens representing a wide variety of business, labor, and commercial interests all have testified in opposition to the Proposed Regulations of the Federal Transportation Control Plan for Indianapolis of the Environmental Protection Agency; and

WHEREAS, this testimony has demonstrated general community leadership consensus that these proposed rules (1) would severely undermine the current strong community efforts to revitalize the central business district and the inner-city neighborhoods, (2) would accentuate urban tendencies toward urban sprawl and its resulting rising municipal services' costs, and (3) would weaken the tax base on which municipal services depend for revenues; and

WHEREAS, the Environmental Protection Agency's limited data from testing oxides in one or two locations in mid-1971 severely conflicts with later state professional measurements, which EPA officials have not disproven but have refused to accept as necessarily accurate; now, therefore:

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

Section 1. The City-County Council on behalf of the citizens of Indianapolis and Marion County voices grave concern at the eroding economic and social consequences of the Proposed Regulations of the Federal Transportation Control Plan for Indianapolis of the Environmental Protection Agency.

Section 2. The City-County Council exhorts the Environmental Protection Agency to withdraw its proposed rules for Indianapolis as unverified scientifically and statistically and as unworkable without inducing severe economic dislocations and social and business disincentives for this urban area.

Section 3. The City-County Council hereby supports the testimonies of Mayor Richard G. Lugar and Councilman Stephen R. West, on behalf of its Economic Development Committee on November 28 and 29, respectively, and under the rules of procedure of that hearing, request that this action of December 3, 1973, be added to the official record of the hearing.
