PROPOSAL NO. 440, 1980. Councillor West stated that this proposal appropriates an additional \$10,400 in the County General Fund for Superior Court, Civil Div., Room 5, for purposes of providing funds for an additional employee. Mr. West gave a synopsis of hearings which the Public Safety and Criminal Justice Committee held associated with this proposal, including the last recommendation of "do pass" by a vote of 4-2. The Council recessed to a Committee of the Whole for public hearing on this proposal at 8:15 p.m., during which, Mr. John McClain and Mr. Don Christiansen, both opposed to the Council's granting funds for this additional person, spoke. Dr. Borst questioned Judge Dugan, who was present, as to how long the employee had been employed, although not budgeted for, the case load compared to other courts of similar jurisdiction and size, and the Judge's willingness to cooperate with the plan of the Council by setting up transition funds in the budget for 1981 to enable the court to eliminate this additional position in conjunction with a possible mandate which the court may issue to pay this additional employee. The Council reconvened at 8:18 p.m., after much discussion during the public hearing, and after further Council debate, Proposal No. 440, 1980, was defeated on the following roll call vote; viz:

14 AYES: Mr. Boyd, Mrs. Brinkman, Mr. Campbell, Mr. Cottingham, Mr. Dowden, Mr. Hawkins, Mr. Howard, Mrs. Journey, Mr. Miller, Mr. Page, Mr. Rader, Mr. Schneider, Mr. Vollmer, Mr. West

PROPOSAL NO. 573, 1980. Due to public interest, Mrs. Parker, Chairperson of the Municipal Corporations Committee requested that this proposal be heard at this time; consent was given. Mrs. Parker explained that this proposal approves an additional expenditure of \$150,000 for the Expansion Stadium Project in the Capital Improvement Board of Manager's budget. The Municipal Corporations Committee recommended that the Council "do pass" this proposal by a vote of 5-1. During Council discussion, Mr. P. E. MacAllister spoke, commenting on the purpose of the funding. He stated that the Mayor's Task Force was initially engaged to study the feasibility of an addition of a 60,000 foot stadium on to the present Convention Center. The study will employ engineers from Kansas City working in conjunction with Indianapolis contractors. This money will come from the existing general fund of the Capital Improvement Board of Managers, and involves no local tax money. Mr. Page spoke in favor of this proposal and the proposed building of a stadium, citing profits to be made by local businessmen from increased convention bookings and business in Indianapolis due to this expansion and new stadium. Proposal No. 573, 1980, was then adopted on the following roll call vote; viz:

25 AYES: *Mr. Boyd, Dr. Borst, Mrs. Brinkman, Mr. Campbell, Mr. Clark, Mr. Cottingham, Mrs. Coughenour, Mr. Durnil, Mr. Gilmer, Mr. Holmes, Mr. Howard, Mr. Jones, Mr. McGrath, Mr. Miller, Mrs. Nickell, Mr. Page, Mr. Rader, Mrs. Parker, Mr. Rhodes, Dr. SerVaas, Mrs. Stewart, Mr. Strader, Mr. Tintera, Mr. Vollmer, Mr. West*

PROPOSAL NO. 498, 1980. Councillor Miller reported for the Administration Committee, which heard testimony on this proposal sponsored by Mr. Tintera. It expands the scope of internal audit to include county and municipal corporations (Amends Code Sec. 2-145), and received a "to strike" recommendation from the committee by a vote of 4-1. Mr. Miller stated that it was the wish of the committee to consider this proposal for future action after more consideration and to perhaps rewrite it after further researching this topic. Mr. Miller based his cautious attitude on the possibility of duplication of duties this expansion of the scope of internal audit might create with respect to the activities of both the Board of Accounts and the County Commissioners. In light of these points, and after brief Council discussion, Mr. Miller moved, seconded by Councillor Journey, to strike Proposal No. 498, 1980. Proposal No. 498, 1980, was then stricken on the following roll call vote; viz:

PROPOSAL NO. 499, 1980. Mrs. Coughenour reported for the Public Works Committee that this proposal provides an appeal to the City-County Council for persons denied a variance by the Air Pollution Control Board. It received a "do pass as amended" recommendation from the committee by a vote of 4-0-1. Mrs. Coughenour moved, seconded by Councillor Brinkman, to postpone this proposal until the December 15, 1980 meeting of the Council; consent was given.

PROPOSAL NO. 524, 1980. Councillor Miller stated that this proposal, which transfers \$10,000 in the Consolidated County Fund for the Personnel Division, Department of Administration, for purposes of replacing old equipment, received a unanimous "do pass" recommendation from the Administration Committee.
