Amending G. O. 10-1933, dancing

beg leave to report that we have had said ordinance under considera-
tion, and recommend that the same be held for further consideration.

To the President and Members of the Common Council
of the City of Indianapolis, Indiana.

Gentlemen:

We, your Committee on Public Works, to whom was referred
General Ordinance No. 29, 1937, entitled

Authorizing purchase of 6 trucks

beg leave to report that we have had said ordinance under considera-
tion, and recommend that the same be held for further consideration.

THEODORE CABLE, Chairman.

SILAS J. CARR.
WM. A. OREN.
JOHN A. SCHUMACHER.

Indianapolis, Ind., May 17, 1937.

To the President Raub and Members of Common
Council of City of Indianapolis.

We, the Special Committee consisting of Mr. Kealing, Mr. Oren and Mr. Schumacher, to which was referred Resolution No. 3, 1937, make the following report:

Mr. Kealing filed 14 copies of Resolution No. 3, 1937, just a few minutes before 12:00 noon with the City Clerk on May 3, 1937.

Referring to Rule 5 of Rules and Regulations governing the Common Council of the City of Indianapolis;

No ordinance shall be introduced at any regular meeting unless 14 copies of the same have been in the hands of the City Clerk at least at noon of the day on which such regular meeting is held.

This Special Committee wrote a letter to the Board of Safety on December 18, 1936, requesting that the names and politics of every person on the Police and Fire Departments of the City of Indianapolis be sent them as soon as possible.

During all these months the lists were not sent us so at the last possible filing date on May 3, 1937, Resolution No. 3, 1937, was filed with the City Clerk. But lo and behold, that evening at Council meeting two lists were presented to the Council.

We again state, that according to the merit law, there should be an equal number of Republicans and Democratic policemen and firemen. The Police list given us May 3, 1937, shows Republicans 250 and Democrats 261. Now, why is it that in the present Police Merit School there are over 60 Democrats and no Republicans, of whom 12 Democrats will have to be selected? It looks as if this so called Merit System is a Merit System for Democrats only.

Now after so many months we have finally received these lists, The Special Committee to whom was referred Resolution No. 3, 1937, beg leave to report that we have had said Resolution under consideration, and recommend that the same be stricken from the files.

E. R. KEALING, Chairman,
WM. A. OREN,
JOHN A. SCHUMACHER,
The Special Committee.
