COMMUNICATIONS FROM CITY OFFICIALS

December 20th, 1937

To the Honorable President and  
Members of the Common Council of the  
City of Indianapolis, Indiana.

Gentlemen:

In re: A. O. No. 42, 43, and  
44, 1937

I beg leave to report that pursuant to the laws of the State of Indiana, I caused notice by publication to be inserted in the Indianapolis Times and Indianapolis News on December 9th, 1937, that the taxpayers would have a right to be heard on the above ordinances at the regular meeting of the Common Council, to be held on the 20th day of December, 1937, and by posting a copy of the notice in the following places:

City Hall,  
Court House and  
Police Station.

Yours very truly,

DANIEL J. O'NEILL, JR.,  
City Clerk.

December 17, 1937

To the Honorable President and  
Members of the Common Council  
of the City of Indianapolis.

Gentlemen:

Attached please find copies of General Ordinance No. 104, 1937, amending Section 1 of General Ordinance No. 55, 1928, fixing the fee of keeping or harboring any animal of the canine kind, at One Dollar (\$1.00.)

As you will remember this council on December 6, 1937, passed General Ordinance No. 97, 1937, requiring all owners of dogs before they can secure 1938 license for these dogs must have a certificate from a Veterinarian showing the dog had been vaccinated to prevent rabies.

In view of the fact that by passage of this ordinance, an additional burden of about \$1.00 would be placed on these people, I am introducing this new ordinance, so that with the required vaccination and the license, there would be no additional expense and that the total cost would be the same as before.

I would like to state further, that the ordinance requiring all dogs to be vaccinated is in the right direction. It certainly is an added safety measure for the People of Indianapolis and especially their Children.

Along this line, I also recommend to the proper City Officials, now that the new dog pound is in operation, that a decided effort be made to rid the city of stray dogs. Discontinue the present haphazard method of collecting dogs, and see that ALL stray dogs are gathered up and be disposed of according to law.

I mention the above because it ties in with the compulsory vaccination and the license.

Therefore, I sincerely hope that this council will pass this ordinance unanimous, reducing the fee to one Dollar only, instead of Two Dollars thereby making the combined cost of the vaccination and the license the same price as is now in effect.

I honestly believe that if this ordinance passes, that the People of Indianapolis will know that the Council is trying to do the right thing and not put any additional burden upon them, that they will cooperate more willingly and that more licenses will be sold than ever

before, knowing that they will be playing their part in a Safety Campaign for the betterment of the citizens of Indianapolis and their children.

Very truly yours

JOHN A. SCHUMACHER,  
Councilman
