CITY-COUNTY COUNCIL RESOLUTION NO. 12, 1975

A COUNCIL RESOLUTION authorizing the Mayor, on behalf of the City and County, to execute an offer to purchase the Century Building.

BE IT RESOLVED BY THE CITY-COUNTY COUNCIL OF THE CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

Section 1. The Mayor is hereby authorized to act for and on behalf of the City of Indianapolis, County of Marion to offer to purchase certain property commonly known as the Century Building, located at 36 South Pennsylvania.

Section 2. Such offer to be made to the United States of America for a purchase price of One hundred fifty-seven thousand five hundred dollars (\$157,500.00), upon the terms set forth in the "Offer to Purchase" a copy of which is attached hereto as Exhibit A.

EXHIBIT A

OFFER TO PURCHASE

The undersigned, CITY OF INDIANAPOLIS, and COUNTY OF

MARION, INDIANA, each being a political subdivision of the State of Indiana, acting by and through their duly authorized officers, and pursuant to resolution of the City-County Council, whose address is City-County Building, Indianapolis, Indiana, hereinafter called the Purchaser, hereby offers to purchase from the UNITED STATES OF AMERICA, hereinafter called the Government, on the terms and subject to the conditions hereinafter set forth, the property known as the Century Building, 36 South Pennsylvania Street, Indianapolis, Indiana, and legally described as follows:

A tract of land, consisting of Lots 7 and 8, in Square 65, of the Donation Lands in the Original City of Indianapolis.

The Purchaser shall pay the Government for said property the purchase price of One Hundred Fifty-seven Thousand Five Hundred Dollars (\$157,500.00), of which the sum of Thirty-one Thousand Five Hundred Dollars (\$31,500.00), in the form of a certified check, or cashier's check, made payable to the General Services Administration, is hereby deposited as earnest money and the balance of the purchase price in the amount of One Hundred Twenty-six Thousand Dollars (\$126,000.00) to be paid in equal quarter-annual installments for five years from delivery of the document of conveyance, with interest at the rate of eight and one-quarter percent on the unpaid balance.

If this offer is accepted, the earnest money deposited herewith shall be applied toward payment of the Purchaser's obligation to the Government. In the event the offer is rejected, the deposit will be returned, without interest, as promptly as possible after rejection of the offer.

The Purchaser agrees that the sale by the Government shall be on an "as is" and "where is" basis without representation or warranty, or guaranty as to quantity, quality, character, condition, size or kind, or as to the completeness or accuracy of the description thereof, or that the same is in condition or fit to be used for the purpose intended, and no claim for allowance or deduction upon such grounds will be considered.

The offer shall be deemed to be a firm and continuing offer from the date of receipt until accepted or rejected by the Government; provided, however, that after 120 days have elapsed from the date of receipt, the Purchaser not having received notice of rejection may consider its offer rejected, and if the Government desires to accept

the offer after such 120-day period, the consent of Purchaser thereto shall be obtained.

Notice by the Government of acceptance or rejection of the offer shall be deemed to have been sufficiently given when telegraphed or mailed to the Purchaser or its duly authorized representative at the address indicated in the offer.

This offer and the acceptance thereof shall constitute the whole agreement between the Purchaser and the Government to be succeeded only by the formal instruments of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. Nor shall the contract, or any interest therein, be transferred or assigned by the Purchaser without consent of the Government, and any assignment transaction without such consent shall be void.

An explanatory statement of the circumstances of the proposed disposal will be submitted to the appropriate Committees of the Congress because of its negotiated character and the offer probably will not be accepted by the Government until after the proposed disposal has been considered by such committees. However, in the event the offer is accepted at an earlier time, it is agreed that the Government may rescind its acceptance at any time during the 120-day period specified herein, if it is reasonably determined by the Government that such action is justified in the light of the circumstances then prevailing. Any rescission pursuant to this paragraph will be without liability on the part of the Government other than to return the earnest money deposit without interest.

In the event of revocation of the offer prior to acceptance, or in the event of any default by the Purchaser in the performance of the contract created by such acceptance, the deposit, together with any payments made by the Purchaser on account, may be forfeited at the option of the Government, in which event the Purchaser shall be relieved from further liability, or without forfeiting the said deposit and payments, the Government may avail itself of any legal or equitable rights which it may have under the offer or contract.

As of the date of assumption of possession of the property, or the date of conveyance, whichever occurs first, the Purchaser shall assume responsibility for care and handling of all risks of loss or damage to the property and have all obligations and liabilities of ownership.

The Purchaser agrees to assume possession of the property within 15 days of a written request given by the Government after acceptance of the offer. Should the Purchaser fail to take actual possession within such period, it shall nonetheless be charged with constructive possession commencing at 12:01 A.M., Standard Time, on the 16th day after such request by the Government. The word "possession" shall mean either actual possession or constructive possession.

Although by assuming possession under the above, the Purchaser incurs certain responsibilities and obligations under other conditions of this contract, such possession does not confer any right in the Purchaser either to make any alterations or improvements in or to the property or to use it for any purpose of its own without first obtaining the written approval of the Contracting Officer. Any such approval will be conditioned on the Purchaser paying to the Government for the privileges granted, for the period from the date of the approval to the date of conveyance, an amount equal to the interest for such interval of time on the unpaid balance of the purchase price at the rate of eight and one-quarter percent ($8\frac{1}{4}\%$) per annum.

Any title evidence which may be desired by the Purchaser will be procured by it at its sole cost and expense. The Government will, however, cooperate with the Purchaser or its authorized agent in this connection, and will permit examination and inspection of such deeds, cooperate with the Purchaser or its authorized agent in this connection, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and property involved, as it may have available. It is understood that the Government will not be obligated to pay for any expense incurred in connection with title matters or survey of the property.

In the event an offer to purchase is accepted and possession of the property is assumed by the Purchaser prior to the date of conveyance, the Purchaser shall procure and maintain insurance at its expense, effective for the period from the date of assumption of possession to the date of payment of the entire purchase price to the Government and conveyance by deed, for the benefit of the Government in such kinds and amounts as may be required by the Government, with companies acceptable to the Government.

If this offer is accepted, conveyance of the property will be accomplished by a quitclaim deed without warranty, express or

implied, and in conformity with local law, subject to appropriate note and mortgage.

The Purchaser shall pay all taxes imposed on this transaction and shall obtain at his own expense and affix to all documents such revenue and documentary stamps as may be required by Federal and local law. All instruments of conveyance and security documents required to be recorded shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

Upon conveyance of the property, the Purchaser shall assume responsibility for all general and special real and personal property taxes which may be assessed on the property.

This offer is made subject to any and all existing reservations, easements and rights, recorded or unrecorded, for public roads, railroads, pipe lines, drainage, sewer mains and lines, and public utilities.

No member of or delegate to the Congress, or resident commissioner, shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit.

The Purchaser warrants that it has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. "Bona fide established commercial agencies" has been construed to include licensed real estate brokers engaged in the business generally.

The Purchaser agrees that the instrument of conveyance shall include a nondiscrimination covenant substantially as set forth in Section 101-47.307-2(b) of the Federal Property Management Regulations.

The Purchaser certifies that it will, upon request by the Govern-

ment, furnish information on the uses and purposes for which it is seeking to acquire the property.

The offer is subject, moreover, to the General Terms Applicable to Negotiated Sales attached hereto and made a part hereof.

IN WITNESS WHEREOF, the City-County Council has caused this offer to be executed and delivered to the United States of America, General Services Administration, this _____ day of _____, 1975.

June 12, 1975

The Honorable Beurt SerVaas, President
Curtis Publishing
1100 Waterway Boulevard
Indianapolis, Indiana

Dear Beurt:

As I announced publicly on Monday, I am nominating Thomas C. Hasbrook to fill the vacancy in the office of Deputy Mayor created by the resignation of Michael DeFabis. I am writing each Council member to ask prompt consideration of this nomination at next Monday's meeting.

I request this special expedition of Tom's confirmation because of the immediate need for his services occasioned by Mike's official departure, which was effective today. In addition, the unusual four-week interval before the council's next meeting on July 14th, in my view, necessitates this special attention.

I will be very grateful for your consideration of this vital appointment.

Sincerely,

Richard G. Lugar
Mayor

June 16, 1975

VICE-PRESIDENT BEURT R. SERVAAS
CITY COUNTY COUNCILMEMBERS

Dear Fellow Councilmembers:

It is with many fond memories and regret that I hereby tender my resignation as President of the Indianapolis City County Council and as a councilmember from the Seventh Councilmanic District. One of the hard parts of making the decision to accept Mayor Lugar's

appointment as Deputy Mayor was that it meant leaving this Council which has been a part of my life for the past sixteen years.

There were days when serving on the Council was not the challenge that it is today. Many of us have been through the writing and restructuring of local government, its passage through the Legislature, the Interim Council, and finally this Unified Council.

While I am leaving, I will not be far away. Mayor Lugar has asked that I work closely with the Council and assist where I can in your deliberations. Thank you for the privilege I've had to serve you as President these past years and for the friendships created and enjoyed on both sides of the aisle.

Please accept my resignation effective upon the adjournment of this meeting.

Respectfully yours,

Thomas C. Hasbrook
