(SEAL)

Which was read.

President Ropkey called the meeting to order.

The Clerk called the roll.

Present: Ernest C. Ropkey, President, and six members, viz: Mr. Henry, Mr. Hildebrand, Mr. Houck, Mr. Tennant, Mr. Welch, Mr. Wheatley.

Absent: Mr. Gardner, Mr. Morgan.

Mr. Tennant asked permission of the chair to introduce the following Resolution:

RESOLUTION NO. 1, 1932

WHEREAS, on the 26th day of June, 1932, death took from our midst, Francis M. Ccleman, Chief Deputy Controller, of the City of Indianapolis, and

WHEREAS, Mr. Coleman, from the beginning of this administration, has served this city with conspicuous talent and fidelity, and with remarkable energy and untiring devotion to the varied demands of the highly responsible position which he held, and

WHEREAS, through his intimate association with the Common Council, he had endeared himself to each of us, had made many of our tasks lighter by his tact, ability and friendliness, and had won our confidence and affection, and

WHEREAS, his honesty and integrity in the conduct of his office had gained for him the respect and admiration of all with whom he dealt, and of this city which he so faithfully served,

NOW, THEREFORE, BE IT RESOLVED By The Common Council of The City of Indianapolis, that we in this manner pay our tribute to an outstanding public official, a loyal friend, and a

citizen whose untimely passing has saddened this community; that we extend to the wife and family of the late Mr. Coleman our deepest sympathy; and that a copy of this Resolution be spread on the Records of the Proceedings of the Common Council and that copies be sent to his wife and family.

Which Resolution was unanimously adopted by the Council.

On motion of Mr. Welch, seconded by Mr. Wheatley, the reading of the Journal for the previous meeting was dispensed with.

COMMUNICATIONS FROM THE MAYOR

June 23, 1932.

To the Honorable President and Members of the Common Council of the City of Indianapolis, Indiana:

Gentlemen:

I have this day approved with my signature, and delivered to Henry O. Goett, City Clerk, the following ordinances:

SPECIAL ORDINANCE NO. 3, 1932

AN ORDINANCE authorizing the sale, alienation and conveyance of certain "park lands" in the City of Indianapolis, and fixing the time when the same shall take effect.

APPROPRIATION ORDINANCE NO. 10, 1932

AN ORDINANCE appropriating the sum of Four Hundred Five Dollars and One Cent (\$405.01) from the unappropriated and unexpended balance of the General Fund for the year ending December 31, 1931, to other numbered funds in amounts specified, and fixing a time when the same shall take effect.

APPROPRIATION ORDINANCE NO. 11, 1932

AN ORDINANCE appropriating and transferring to certain funds in the Street Commissioner's Department the total sum of Thirty Thousand Dollars (\$30,000.00) out of the Gasoline Tax Fund, now unappropriated, for the repair and maintenance of streets and thoroughfares and bridges and for labor, material, supplies and equipment necessary thereto, and fixing a time when the same shall take effect.

GENERAL ORDINANCE NO. 50, 1932

AN ORDINANCE amending Sections 439 and 440 of General Ordinance No. 121, 1925, commonly known as the City Code, and fixing a time when the same shall take effect.

GENERAL ORDINANCE NO. 51, 1932

AN ORDINANCE amending Sub-sections (e) and (f) of Section 30 of General Ordinance No. 96, 1928, as amended by General Ordinance No. 31, 1931, and by General Ordinance No. 68, 1931, and fixing a time when the same shall take effect.

GENERAL ORDINANCE NO. 52, 1932

AN ORDINANCE, prohibiting the throwing or depositing or attempting to throw or deposit, or aiding or abetting in the throwing or depositing upon the person or property of another of any reptiles, rodents, animals, or insects.

GENERAL ORDINANCE NO. 53, 1932

AN ORDINANCE, prohibiting the throwing or depositing or attempting to throw or deposit, or aiding or abetting in the throwing or depositing upon the person or property of another any vile, noxious or offensive smelling or injurious liquid, gas or solid, commonly known or termed as a "stinking bean" or a "stench bomb" in any form or device from which such liquid, gas or solid is liberated, or is likely to be liberated.

GENERAL ORDINANCE NO. 54, 1932

(AS AMENDED)

AN ORDINANCE amending sub-section (b) of section 30 of General Ordinance No. 96, 1928, as amended by General Ordinance No. 31, 1931, as amended by General Ordinance No. 68, 1931, as amended by General Ordinance No. 82, 1931, and as amended by General Ordinance No. 110, 1931, and amending sub-section (c) of the said section 30 of General Ordinance No. 96, 1928, as amended by General Ordinance No. 31, 1931; and fixing a time when the same shall take effect.

Yours very truly,

R. H. SULLIVAN,
Mayor.

June 24, 1932.

*To the Honorable President and Members of the Common Council of
the City of Indianapolis, Indiana:*

Gentlemen:

I return herewith General Ordinance No. 36, 1932, entitled: "An Ordinance ratifying and approving a contract entered into between the City of Indianapolis, by and through its Board of Public Safety, with the approval of its Mayor, and Indiana Inspection Bureau, and fixing a time when the same shall take effect," without my approval.

The purported contract made part of the ordinance, and marked "Exhibit A" has not been executed, and I am advised by the Legal Department that the ordinance is, therefore, without force or effect.

Respectfully,

R. H. SULLIVAN,
Mayor.

COMMUNICATIONS FROM CITY OFFICIALS

July 5, 1932.

*To the Honorable President and Members of the Common Council of
the City of Indianapolis, Indiana.*

Gentlemen:

Attached please find copies of General Ordinance No. 58, 1932, transferring the sum of Two Hundred Seventy-three Dollars and Twenty-two Cents (\$273.22) now in Department of Public Safety—Fire Department Fund No. 72—Equipment, and reappropriating the same to Department of Public Safety—Police Radio Fund No. 46—Radio Materials.

I respectfully recommend the passage of this ordinance

Yours very truly,

WM. L. ELDER,
City Controller.

June 27, 1932.

*Wm. L. Elder, City Controller,
City of Indianapolis.*

Dear Sir:

The Board of Safety has approved the installation of police radios in several cars belonging to the Fire Department—the Chief's car, the Assistant Chief's car and the four cars used by the Battalion Chiefs, with the understanding that the expense for all materials is to be borne by the Fire Department. In order to do this, we find it necessary to ask for a transfer of funds from the Fire Department budget to the Police Radio budget and kindly ask that an ordinance be prepared transferring the following money:

Two Hundred Seventy-three Dollars and Twenty-two Cents (\$273.22) from Fund No. 72—New Equipment, Fire Department, and reappropriate same to Fund No. 46, Radio Materials—Police Radio budget.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,
/s/ WALTER O. LEWIS,
Executive Secretary.

July 5, 1932.

*Hon. President and Members of the
Common Council,
City of Indianapolis.*

Gentlemen:

The attached are the required number of copies of ordinances amending certain sections of the Building Code which we wish to submit with our recommendations for passage.

Respectfully submitted,

BOARD OF PUBLIC SAFETY,
WALTER O. LEWIS,
Executive Secretary.

MISCELLANEOUS COMMUNICATIONS

Indianapolis, Indiana.
June 22, 1932.

*To the Honorable Common Council
of the City of Indianapolis, Indiana:*

We, the undersigned taxi-cab drivers of the City of Indianapolis, respectfully petition your Honorable Council as follows:

(1) To amend the present taxi-cab ordinance of the City of Indianapolis so as to fix a minimum fare in such an amount as would make it possible for capable and competent drivers to earn a living wage; and

(2) To fix a standard of qualifications as to each particular driver that would insure high-grade taxi drivers in this City.

We earnestly represent that such legislation would relieve many of the traffic hazards of the City of Indianapolis occasioned by reckless, irresponsible drivers, and to insure to the general public safety. That it would make it possible for capable, careful taxi drivers of a high, moral standard to earn a reasonable wage and insure to the general public a service of higher efficiency.

This Petition is signed by a total of 457 Taxi-cab Drivers, including Owners, Operators, and Officials of the different Taxi-cab Companies of the City of Indianapolis, Indiana. (Signatures omitted.)

Mr. Wheatley asked for a recess. The motion was made and seconded by Mr. Henry, and the Council recessed at 7:36 p. m.

The Council reconvened from its recess at 8:00 p. m. with the same members present as before.

INTRODUCTION OF GENERAL ORDINANCES

By City Controller:

GENERAL ORDINANCE NO. 58, 1932

AN ORDINANCE transferring moneys from a certain numbered and designated fund of the City of Indianapolis and reappropriating the same to another numbered and designated fund of the City of Indianapolis, and fixing a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That the sum of Two Hundred Seventy-three Dollars and Twenty-two Cents (\$273.22), now in Department of Public Safety—Fire Department Fund No. 72—Equipment, be and the same is hereby transferred therefrom and reappropriated to Department of Public Safety—Police Radio Fund No. 46—Radio Materials.

Section 2. This ordinance shall be in full force and effect from and after its passage and publication according to law.

Which was read the first time and referred to the Committee on Finance.

By Board of Safety:

GENERAL ORDINANCE NO. 59, 1932

AN ORDINANCE to amend Section B-451, sub-section (d) of Section B-452, sub-section (a), (b), (h), and (j) of Section B-455 and Section B-457, B-458 and B-459, the same being sections of Division B, Part Four of Section 865 of General Ordinance No. 121, 1925, created and added thereto by General Ordinance No. 11, 1931, commonly known as the Sign Ordinance and fixing a time when the same shall take effect.

BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF INDIANAPOLIS, INDIANA:

Section 1. That Section B-451, Division B, Part Four of Section 865 of General Ordinance No. 121, 1925, as amended by General Ordinance No. 11, 1931, be and the same is hereby amended to read as follows, to-wit:

Section B-451—GENERAL PROVISIONS.

(a) For the purpose of this ordinance and the regulations and provisions thereof, signs are hereby classified as follows: Ground Sign Board, Roof Signs, Wall Bulletins, Wall Signs and Projecting Signs.

(b) No ground sign, roof sign or projecting sign erected or constructed before the passage of this ordinance shall be rebuilt or relocated, without being so rebuilt or relocated as to be brought within compliance with this ordinance, and until after a permit has been obtained from the city controller, after application to the commissioner of buildings so to do, to effect such alterations.

(c) No sign board or advertising display of any nature or description shall be installed, erected, maintained or constructed in such a manner as to obstruct any fire escape, exit and the ingress or egress of any window or door thereto, nor at any time be attached in any shape or manner, either directly or indirectly to any fire escape whatsoever.

(d) Every ground sign board, roof sign, wall bulletin, wall sign or projecting sign hereafter erected or constructed shall be plainly marked with the name of the firm, partnership, corporation or individual erecting the sign.

(e) All electrically illuminated advertising displays with exposed tubes and/or terminals erected or maintained, shall be

so erected or maintained in such a manner that the exposed tubing and/or terminals will be at least nine (9) feet above the established grade, except where exposed tubing and/or terminals are properly protected in an approved manner.

Section 2. That sub-section (d) of Section B-452, of General Ordinance No. 121, 1925, as amended by General Ordinance No. 11, 1931, be amended to read as follows:

(d) Every ground sign shall have an open space of not less than two or more than nine feet between the lower edge of such sign board and the ground level, which space may be filled in with decorative lattice work of light wooden construction. Every ground sign shall be stoutly constructed and anchored in a secure and substantial manner.

Section 3. That sub-section (a) of Section B-455, as amended be amended to read as follows:

(a) A projecting sign or illuminated sign as used in this ordinance shall mean any letter, work, model, sign, device, or representation used in the nature of advertising, announcement, direction, or illumination by electricity and extending beyond the building line or the face of the wall of a building or buildings or beyond the surface of a pole or poles more than 12 inches.

Section 4. Sub-section b of said Section B-455 as amended, be amended to read as follows:

(b) Projecting signs shall be divided for the purpose of this ordinance into two classes, first—projecting signs which are those affixed to the building wall or structure or to a pole or poles and which extend more than 12 inches from the face of the building or structure, or from the surface of such pole or poles, and, second—flat electric signs which are those attached in a rigid manner and lying parallel to and in the same plane as the wall and extend more than 12 inches from the face of the wall.

Section 5. That sub-section (h) of said Section B-455 as amended, be and the same is hereby amended to read as follows:

(h) All projecting signs for which a permit is required herein, now or hereafter erected within the fire limits of the City of Indianapolis shall be electrically illuminated.

Section 6. That sub-section (j) of said Section B-455, as amended, be and the same is hereby amended to read as follows:

(j) No projecting sign shall be hereafter erected when the area of one face of said sign shall exceed 240 sq. ft.

EXCEPTIONS:

By special permission of the commissioner of buildings.

Section 7. That Section B-457 of Part Four of Section 865 of General Ordinance No. 121, 1925, as established by General Ordinance No. 11, 1931, be and the same is hereby amended to read as follows:

(a) No ground sign board, roof sign, wall bulletin or wall sign, banners or projecting sign shall be hereafter erected, maintained or constructed by any person or persons, firm, partnership, corporation or individual, except, as provided in this ordinance and until after a permit to erect, construct or maintain the same has been obtained from the city controller. No such permit shall be issued by the city controller until after an application has been filed with the Department of Buildings showing the plans and/or specifications if required, including dimensions, material and details of construction of proposed sign, nor until after all the provisions of this ordinance relating to such structure shall have been complied with nor until the commissioner of buildings has approved said application nor until after the prescribed fee for such permit has been paid to the city controller. The commissioner of buildings may prescribe suitable regulations consistent with the provisions of this ordinance concerning the form and contents of all applications for the various forms of permits herein required. The fees for such permit shall be:

---	------

Erection permits will not be required for any temporary muslin advertising display or banner of less than 100 sq. ft. in area not erected over the public highway. Erection permits will not be required for the painting of any advertising display upon any wall. Erection permits will not be required for ground sign boards less than 25 sq. ft. in area providing the same shall be erected and maintained in accordance with the provisions for ground sign boards of 25 sq. ft. in area. Erection permits will not be required for any wall bulletin or wall sign less than 16 sq. ft. in area provided such sign is not illuminated, nor for any projecting sign 5 sq. ft. in area or less and/or weighing 10 pounds or less, and erected in accordance with erection provisions of this ordinance. Muslin advertising displays or banners for transient shows and/or circuses may be posted in the city after application to the commissioner of buildings and after compliance with provisions of this ordinance for banners and advertising displays. Permits shall be issued only to person or persons, firm, partnership or corporation, who are properly bonded and licensed as provided in this ordinance.

Section 8. Section B-458 of Division B—Part Four of Section 865 of General Ordinance No. 121, 1925, as established by General Ordinance No. 11, 1931, be and the same is hereby amended to read as follows:

Section B-458—ANNUAL INSPECTION.

(a) It shall be the duty of the commissioner of buildings or his authorized agent to inspect every roof sign, ground sign board, wall bulletin and wall sign, and projecting sign for which an erection permit has been required at least once annually. The fee for such inspection shall be as follows: Ground Sign Board over 25 sq. ft. in area over all, \$1.00; Roof Sign, \$2.00; Wall Bulletin and/or Wall Sign over 16 sq. ft. in area over all or any area when electrically illuminated, \$1.00; Projecting Sign over 5 sq. ft. in area and/or weighing more than ten pounds, \$1.50.

Section 9. B-459 of Division B—Part Four of Section 865 of General Ordinance No. 121, 1925, as estimated by General Ordinance No. 11, 1931, be and the same is hereby amended to read as follows:

(a) The dead load of projecting signs may be supported with chains or guy wires and the working stress of such chains or guy wires shall not exceed $\frac{1}{5}$ of the ultimate strength of such chains or guy wires. The net cross sectional area of such supporting chains or guy wires shall not be less than $\frac{1}{4}$ inch in diameter. Chains or guy wires supporting the dead load of such sign shall be erected or maintained at an angle not less than thirty (30) degrees with the horizontal. Supporting chains or cables may be used for the resistance of wind pressure and the working stress of such supporting chains or cables shall be designed so that it will not exceed $\frac{1}{5}$ of the ultimate breaking strength of such chains or cables. The least cross sectional area of such chains or cables shall not be less than $\frac{1}{4}$ inch in diameter. Supporting chains or cables resisting wind pressure shall be erected or maintained at an angle of 45 degrees or more with the face of the sign that such chains or cables are supporting.

In no case shall there be less than two chains or cables designed to resist the dead load and two chains or cables on each side to resist the live load of any projecting sign having twenty (20) sq. ft. in one facial area. No chain or cable resisting a wind pressure on any side of a projecting sign shall be less than eight (8) feet apart.

(b) All supporting chains or guy wires, where used either for the resistance of live or dead load, shall be secured to a bolt or expansion screw that will develop the strength of the sup-

porting chain or cable with a minimum half inch bolt or lag screw secured by an expansion shield or other approved method by the commissioner of buildings.

(c) Chains or guy wires used to support the live or dead load of projecting signs erected or maintained at an angle of more than 45 degrees may be fastened to masonry walls with expansion bolts or by machine screws in iron supports. Where supporting chains or cables must be fastened to walls made of wood the supporting or anchor bolts must go through the wall and be fastened securely on the other side.

(d) No staples and/or nails shall be used to secure any projecting sign to any building or structure unless such sign or display weighs less than one pound.

(e) Stiff arms, compression members or members in flexure may be used to support either the live or dead load of a projecting sign, but the effective or unsupported length of the main compression members of any sign or stiff arm shall not exceed 120 times the least radius of gyration, and for the secondary members, 200 times the least radius of gyration.

(f) In any projecting sign or advertising display the extreme fiber stress for the steel to be used shall not exceed eighteen thousand (18,000) pounds per square inch, and for wood, the extreme fiber stress shall not exceed twelve hundred (1200) pounds per square inch for any grade of lumber.

(g) All projecting signs weighing over thirty (30) pounds shall have at least one (1) dead load (head lift) guy attached thereto according to the provisions of this ordinance.

(h) All projecting signs weighing over one hundred and fifty (150) pounds shall have at least two (2) dead load (head lift) guy attached thereto in accordance with provisions of this ordinance.

(i) In no case shall any advertising display support be attached to a parapet wall.

Section 10. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor, and publication according to law.

(c) The provisions of this section shall not apply to public garages, provided suitable fire extinguishers capable of protecting every square foot of space on each floor are placed on each floor of any public garage; and provided further, that the capacity and placing of such fire extinguishers shall be in accordance with the recommendation and specifications of the Building Commissioner and the Chief of the fire forces of the City of Indianapolis.

Section 2. That Section A-712 of Division A—Part Seven of Section 865 of General Ordinance No. 121, 1925, be and the same is hereby amended to read as follows, to-wit:

Section A-712: Windows on Side Property Lines: In third class buildings no windows shall be placed in any wall located on the inside property line, provided, however, that windows may be placed in such walls when the walls are located at least four (4) feet from the inside property lines. Courts and air shafts recessed at least four (4) feet from the inside property line will be considered as walls four (4) feet from the inside property line and such courts or air shafts may have windows therein.

Exception: One-story non-residence buildings may have windows in outside walls that set less than four (4) feet from the inside property lines, provided the windows are constructed of metal sash and wired glass.

Section 3. That Division A—Part Four of Section 865 of General Ordinance No. 121, 1925, be and the same is hereby amended by adding thereto Section A-433 to read as follows, to-wit:

Section A-433—Windows on Side Property Lines: No windows shall be hereafter constructed in the outside walls of any first class building when such outside walls are located on the inside property line. However, when such walls are maintained at least four (4) feet from the inside property line, windows may be placed therein.

Exception: One-story non-residence buildings may have windows constructed in the outside walls of a first class building, set nearer than four (4) feet from the inside property line, provided said windows are constructed of metal sash and wired glass.

Section 4. That Division A—Part Six of Section 865 of General Ordinance No. 121, 1925, be and the same is hereby amended by adding thereto Section A-641, to read as follows, to-wit:

Section A-641—Windows on Side Property Lines: No windows shall be hereafter constructed in the outside walls of any second class buildings when such outside walls are located on the inside property line. However, when such walls are maintained at least four (4) feet from the inside property line, windows may be placed therein.

Exception: One-story non-residence buildings may have windows constructed in the outside walls of a second class building, set nearer than four (4) feet from the inside property line, provided said windows are constructed of metal sash and wired glass.

Section 5. That Section B-705, Division B—Part Seven of Section 865 of General Ordinance No. 121, 1925, be and the same is hereby amended to read as follows, to-wit:

Section B-705—Oil Storage High Flash Point: Tanks for the storage of oils or liquids which have a flash point in excess of one hundred fifty (150) degrees Fahrenheit closed cup tester shall be constructed in the same manner as tanks for the storage of liquid with a low flash point. (Section B-704)

When such tanks are located inside or underneath of buildings, not built as oil houses, they shall be limited to twelve thousand (12,000) gallons capacity.

Such tanks in units of not over two hundred seventy-five (275) gallons capacity each, and having an aggregate not in excess of five hundred fifty (550) gallons, may be installed without enclosure, but tanks containing more than this amount shall be completely surrounded with 8" fireproof material as recommended by note below.

Exception: First class buildings and oil houses.

NOTE: It is recommended to comply with the above, that a concrete wall be built around the tank, forming an oil-tight enclosure of a capacity of one and one-half (1½) times the total capacity of such tank or tanks within said enclosure, and shall be filled with sand or other approved material.

When more than one storage tank is installed, such tanks shall be connected with the main feed pipe line, through a manually operated three-way valve, so that not more than one tank can in any way discharge its contents at one time.

Such oil flash liquids may be stored in residence buildings, dwellings of all classes, and hotels, provided the aggregate of all tanks shall not exceed twelve thousand (12,000) gallons capacity.

Section 6. This ordinance shall be in full force and effect from and after its passage, approval by the Mayor and due publication as by law required.

Which was read the first time and referred to the Committee on Public Safety.

Ayes, 7, viz: Mr. Henry, Mr. Hildebrand, Mr. Houck, Mr. Tennant, Mr. Welch, Mr. Wheatley, President Ropkey.

President Ropkey ordered General Ordinance No. 57, 1932, stricken from the files. Which ordinance was stricken from the files by the Clerk.

Mr. Houck called for Appropriation Ordinance No. 12, 1932, for second reading. It was read a second time.

On motion of Mr. Houck, seconded by Mr. Wheatley, Appropriation Ordinance No. 12, 1932, was ordered engrossed, read a third time and placed upon its passage.

Appropriation Ordinance No. 12, 1932, was read a third time by the Clerk and passed by the following roll call vote:

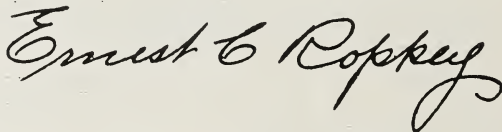

Ayes, 7, viz: Mr. Henry, Mr. Hildebrand, Mr. Houck, Mr. Tennant, Mr. Welch, Mr. Wheatley, President Ropkey.

Mr. Henry made a motion that General Ordinance No. 38, 1932, be withdrawn from the files. The motion was seconded by Mr. Wheatley and passed by the viva voce vote of the Council.

On motion of Mr. Henry, seconded by Mr. Wheatley, the Common Council adjourned at 8:10 p. m.

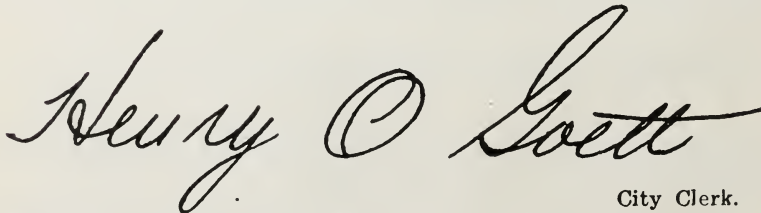

We hereby certify that the above and foregoing is a full, true and complete record of the proceedings of the Common Council of the City of Indianapolis, held on the 5th day of July, 1932, at 7:30 p. m.

IN WITNESS WHEREOF, We have hereunto subscribed our signatures and caused the seal of the City of Indianapolis to be affixed.

President.

Attest:

City Clerk.
