### **SPECIAL ORDERS - UNFINISHED BUSINESS**

Councillor Coonrod stated that he is not sure if this is the appropriate time to bring up unfinished business, but asked for consent to make a brief report regarding a recent presentation before the Administration and Finance Committee. Consent was given.

Councillor Coonrod reported that Katherine Davis, City Controller, made a presentation before the Administration and Finance Committee on April 18, 2000. Councillor Nytes had suggested periodic reports from the City Controller and County Auditor regarding the state of the City's finances. He stated that Ms. Davis presented one of the most competent comprehensive financial reports the Council has received and the Committee is very grateful for Ms. Davis' willingness to provide such a presentation. He stated that the day before the presentation, the Mayor held a press conference releasing this report to the media and the public. The Committee, therefore, had already received part of that information before the presentation due to reports on television and in the newspapers. Councillor Coonrod stated that the press conference seemed to have raised some concerns about the health of the City's finances. He said that the television stations and newspaper reported deficits, concerns about paying debt, and the possibility of defaults. He stated that it is unusual for an Indianapolis Mayor and City Controller to hold a press conference and present information that would give this impression. He stated that the Mayor and Ms. Davis both said that it was not their intent to generate negative publicity for the City of Indianapolis, but rather to simply present accurate, honest financial information and then let the public and media interpret it how they may.

Councillor Coonrod showed an enlarged display of a graph found on page 24 of the Financial Outlook book that Ms. Davis and the Mayor made available to the public and to Councillors. This graph represents the expenses and revenues of the City. He stated that the expense graph lines which are shown are portrayed as substantially higher than the revenue graph lines. He stated that this graph may have given rise to the unfavorable media reports. He said that he voted on this budget last year and does not remember approving a budget that was this far out of balance. The scale on the chart is designed in such a way as to enhance the difference between expenditures and revenues. The chart does not start at zero, but begins at \$410 million and goes to \$461 million. Ordinarily, a chart is presented in this way to exaggerate differences. The chart is not inaccurate, but is not necessarily a fair representation. Councillor Coonrod displayed another graph which shows the exact same financial information as the previous chart, but shows the entire scale, beginning at zero. In light of the full scale, the difference between revenues and expenses is practically nothing. He said that a negative impression of the City's finances may have been inadvertent. He added that he would advise the administration when making dispassionate fiscal presentations, it may be more beneficial to use graphs such as the one he has provided which portray the true picture, instead of graphs like the one presented in the Financial Outlook that actually exaggerate the state of the City's finances.

Councillor Talley suggested that Councillor Coonrod take suggestions for the administration directly to the administration and not take Council time to discuss them.

Councillor Sanders stated that the report received at the presentation on April 18, 2000 was a very thorough report, and as stewards of public funds, the good and not-so-good needs to be shared with the public.

President SerVaas stated that he watched the televised Committee hearing and Ms. Davis was an excellent presenter, knew her facts well, and answered questions very efficiently. He added that the debate between a former Auditor and current Certified Public Accountant, Councillor Coonrod, and Ms. Davis was very appropriate. He understood the result of that discussion to be that if the underspending is factored in, the expenditures most probably will not exceed revenues. He said that he believes the parties can come together and work to ensure that the budget is not underfunded and is clearly defined.

Councillor Nytes stated that the most important thing represented by this Committee hearing was in providing information to Councillors regarding the City's finances. The administration's willingness to share this information will aid the Councillors as the budget approaches.

President SerVaas stated that the publicity which preceded the hearings and the appearance that a budget approved by the Council was seriously underfunded led to the discussion and debate that took place.

Councillor Gray commended the Committee for bringing these financial presentations to the Council body, and thanked the administration for being willing to bring the numbers to those who make the budget decisions.

#### **SPECIAL ORDERS - FINAL ADOPTION**

PROPOSAL NO. 32, 2000. Councillor Massie reported that the Rules and Public Policy Committee heard Proposal No. 32, 2000 on February 1, 2000 and again on April 11, 2000. The proposal, sponsored by Councillors Massie and Short, approves and confirms an agreement for a franchise for a health care transportation system granted by the City to Clarian Health Partners, Inc. By a 5-0 vote, the Committee reported the proposal to the Council with the recommendation that it do pass as amended.

Councillor Black asked if the workers involved in the construction of the monorail will be union personnel. Sam Odle, Clarian Health Partners, stated that at least 90% of the labor will be union labor, as this is Clarian's custom. He stated that he does not know yet who the contractor will be, as the project has not yet been approved for the bid process to begin. He added that the project will be bid in the local market.

Councillor Sanders asked if there is a project labor agreement in place at this time. Mr. Odle stated that there is not.

Councillor Coughenour asked if the City will be indemnified with regards to this project. Mr. Odle stated that they will. Councillor Coughenour asked if Clarian will continue to work with property owners regarding their concerns about placement of stanchions. Mr. Odle stated that they will, and that he believes all of the concerns can be resolved during the design phase of the project.

Councillor Knox asked if the train and monorail will be the work of American builders. Mr. Odle stated that he is not 100% sure, but that he believes all of the companies bidding for the contract have American manufacturing divisions. He stated that he cannot confirm that 100% of the parts used are American-made parts, but that the construction will actually take place on site.

Councillor Gray asked if there is a provision in the contract for minority participation. Mr. Odle stated that there is, and he believes the requirement is 20%.

Councillor Boyd stated that he has received several calls about this project and asked if there will still be room for citizen input. Mr. Odle stated that Clarian will participate in all of the regular City approval processes, as well as some additional approval requirements designed specifically for this project. He said that additional public hearings have been added to the requirements. Councillor Massie stated that all Councillors have received a checklist of requirements still facing the project.

Councillor Soards asked how important this project is to the future health of Clarian. Mr. Odle stated that it is very important and that it will consolidate their current system and make their facilities more productive and accessible to the public.

Councillor Conley stated that he received several calls concerning this proposal from citizens who had originally had reservations, but had all their questions answered at the public hearings and now support the project.

President SerVaas stated that from all plans he has seen, this project will have very little effect on the commercial community and he thinks all parties will be satisfied with the project.

Councillor Nytes commended Clarian for their extensive due diligence and thanked them for taking the risk, making the investment, and doing the experimentation that the City can learn from.

Councillor Massie stated that this project has made remarkable progress over the last year, and he commended the new Department of Capital Asset Management administration for undertaking such a challenging task.

Councillor Short stated that bio-technology is a focus of the new economic development drive of the City and this project will aid in that focus. He stated that Clarian has always been a good employer, excellent corporate citizen, and has always followed through with their commitments. He stated that Clarian is a visionary for this City, and the people mover is a system that can be integrated into any system the City might pursue in the future.

Councillor Horseman stated that she will be abstaining from voting on Proposal No. 32, 2000.

Councillor Massie moved, seconded by Councillor Short, for adoption. Proposal No. 32, 2000, as amended, was adopted on the following roll call vote; viz:

*26 YEAS: Bainbridge, Black, Borst, Boyd, Bradford, Brents, Cockrum, Conley, Coonrod, Coughenour, Douglas, Dowden, Gibson, Gray, Knox, Langsford, Massie, Moriarty Adams, Nytes, Schneider, SerVaas, Short, Smith, Soards, Talley, Tilford*

Proposal No. 32, 2000, as amended, was retitled SPECIAL ORDINANCE NO. 3, 2000, and reads as follows:

CITY-COUNTY SPECIAL ORDINANCE NO. 3, 2000

A SPECIAL ORDINANCE approving and confirming an agreement for a franchise for a health care transportation system granted by the Consolidated City of Indianapolis, Indiana, to Clarian Health Partners, Inc.

WHEREAS, Division 2 of Article II of Chapter 645 of the Revised Code of the Consolidated City and County establishes procedures for the granting of franchises for privately-owned facilities to occupy the public rights-of-way; and

WHEREAS, Clarian Health Partners, Inc. filed an application for a Health Care Transportation System franchise with the Department of Capital Asset Management pursuant to Sec. 645-222 of the Code; and

WHEREAS, based upon its review of the franchise application, the Department of Capital Asset Management filed with the Clerk of the Council its recommendation that a franchise should be granted; and

WHEREAS, the Council's Committee of Rules and Public Policy held a public hearing on the recommendation of the Department of Capital Asset Management with respect to such application on November 23, 1999; and

WHEREAS, such committee determined that a franchise should be granted and directed the negotiation of a franchise contract; and

WHEREAS, Clarian Health Partners, Inc., filed an Amended and Restated Application for Health Care Transportation Franchise with the Department of Capital Asset Management on February 28, 2000; and

WHEREAS, based upon its review of the Amended and Restated Franchise Application, the Department of Capital Asset Management filed with the Clerk of the Council, on March 24, 2000, its recommendation that a franchise should be granted; and

WHEREAS, the Council's Committee of Rules and Public Policy held a public hearing on the recommendation of the Department of Capital Asset Management with respect to such Amended and Restated Application on April 11, 2000; and

WHEREAS, such Committee ratified and confirmed that a franchise should be granted to Clarian Health Partners, Inc., and approved the negotiated franchise contract; and

WHEREAS, such franchise contract is submitted by such Committee herewith for action by the Council, now, therefore:

BE IT ORDAINED BY THE CITY-COUNTY COUNCIL OF THE  
CITY OF INDIANAPOLIS AND OF MARION COUNTY, INDIANA:

SECTION 1. The City-County Council hereby approves and confirms the granting of a franchise for a Health Care Transportation System to Clarian Health Partners, Inc. as set forth in a Health Care Transportation System Franchise Agreement, a copy of which agreement is submitted herewith and shall be filed in the City-County Council's permanent records of this ordinance and be available for public inspection.

SECTION 2. The City-County Council authorizes the Mayor and Director of the Department of Capital Asset Management to execute this franchise agreement on behalf of the Consolidated City of Indianapolis.

SECTION 3. This ordinance shall be in full force and effect upon adoption and compliance with IC 36-3-4-14.

Councillor Sanders asked for consent to explain her vote. Consent was given. Councillor Sanders stated that as a representative of working families she opposes the project because of the absence of a project labor agreement and because of the project's lack of commitment to use American products.

President SerVaas stated that it is almost impossible to get by in any project without using some non-American products. He stated that Clarian is committed to using American manufactured products as much as possible.

PROPOSAL NO. 237, 2000. Councillor Dowden reported that the Public Safety and Criminal Justice Committee heard Proposal No. 237, 2000 on April 12, 2000. The proposal approves amendments to the Marion County Sheriff's Department Personnel Retirement Plan. The President said that the docketed agenda for this meeting of the Council having been completed, the Chair would entertain motions for adjournment.

Councillor Boyd stated that he had been asked to offer the following motion for adjournment by Councillor Knox in memory of Pamela K. Maxwell.

Councillor Boyd moved the adjournment of this meeting of the Indianapolis City-County Council in recognition of and respect for the life and contributions of Pamela K. Maxwell. He respectfully asked the support of fellow Councillors. He further requested that the motion be made a part of the permanent records of this body and that a letter bearing the Council seal and the signature of the President be sent to the family advising of this action.

There being no further business, and upon motion duly made and seconded, the meeting adjourned at 8:34 p.m.

We hereby certify that the above and foregoing is a full, true and complete record of the proceedings of the regular concurrent meetings of the City-Council of Indianapolis-Marion County, Indiana, and Indianapolis Police, Fire and Solid Waste Collection Special Service District Councils on the 24th day of April, 2000.

In Witness Whereof, we have hereunto subscribed our signatures and caused the Seal of the City of Indianapolis to be affixed.

President
