January 15, 1934

Evans Woollen, Jr.,
City Controller,
City of Indianapolis.

Dear Sir:

The total amount of the Building Department budget for 1934 necessitates the elimination of one Building Inspector. Business in the Building Department, beginning January 1st, shows some increase and also shows that the force should remain as it is.

In view of these facts, the Board thinks it advisable to make a readjustment of the salaries in that department and keep the man who would have been eliminated under the 1934 budget, leaving the total budget exactly as it was but retain the man we anticipated would have to be dropped. This change is agreeable with the men effected. The Board recommends this arrangement. An ordinance has been prepared covering this situation.

Very truly yours,

BOARD OF PUBLIC SAFETY,
By C. R. Myers, President.
