(Issued)

On Motion of Mr. Boatright the allowance to H P Todd of \$3 made on 10 May 1842 was reconsidered - when on motion of Mr. Goldsberry Henry P. Todd was allowed \$3 in full of said account.
(Issued June 9, 1842)

On Motion of Mr Richards

Resolved that the committee on wells be instructed to receive proposals for keeping the public pumps in repair by the year and report to the council the proposals made.

On Motion of Mr Black

Resolved That the President be appointed a committee to draft and report an ordinance for the protection and safe keeping of

the public wells & pumps in the town of Indianapolis.

On Motion of Mr Black

Ordered That the Marshal be instructed to purchase a suitable lock for the public burying ground.

On Motion of Mr Boatright

Resolved That the committee on the Fire department be instructed to procure three hundred feet of the Hose now in the custody of the Marion Engine Company, for the use of the Good Intent Engine Company to be used by said Good Intent Company until new Hose can be purchased and brought to this place; and further that said committee be instructed to purchase a suitable Hose carriage for the use of said Good Intent Engine Company provided the same can be purchased with state scrip.

On Motion of Mr Loudon

Ordered That the Common Council meet on Wednesday the 8th June 1842 at 2 oclock P.M. to hear all any appeals which may be taken from the assessment and valuation returned by the Lister for the year 1842 -

And the Council adjourned
