COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., July 17, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval the following ordinances:

General Ordinance No. 59, 1907, being "An ordinance amending clause 'D' of Section 5 of an ordinance entitled 'An ordinance concerning the compensation of all officers, heads of departments, clerks,

assistants and employes of the city of Indianapolis, Indiana, and repealing all ordinances in conflict herewith,' being General Ordinance No. 32, 1907, approved May 16, 1907."

Special Ordinance No. 7, 1907, being "An ordinance changing the name of Ismond street and Parkway from 18th street to 30th street to Parkway Boulevard."

General Ordinance No. 50, 1907, being "An ordinance amending clauses 'B' and 'F' of Section 5 of an ordinance entitled 'An ordinance concerning the compensation of all officers, heads of departments, clerks, assistants and employes of the city of Indianapolis, Indiana, and repealing all ordinances in conflict herewith,' being General Ordinance No. 32, 1907, approved May 16, 1907."

General Ordinance No. 60, 1907, being "An ordinance providing for the transfer of the sum of \$1,200.00 from a certain fund to a certain fund in and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., July 31, 1907.

To the President and Members of the Common Council:

GENTLEMEN—At the meeting of your honorable body held on June 3, 1907, I returned to you General Ordinance No. 47, 1907, without my approval, such approval as stated in the message sent to your honorable body on the date mentioned being based upon an agreement made between the city of Indianapolis and the various railroad companies crossing the streets of said city, by which such railroad companies agreed to pay 30 per cent of the cost of all lights located upon such street crossings by their tracks. The railroad companies are now ready to make these payments in accordance with such agreement, but in the opinion of the corporation counsel, the whole matter can better be covered by ordinance than by separate contracts with the railroads. I therefore submit to your honorable body an ordinance relating to this contract and agreement, with the recommendation that the same receive early and favorable attention at your hands.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., July 31, 1907.

To the President and Members of the Common Council:

GENTLEMEN—There will be submitted to your honorable body at tonight's meeting an ordinance appropriating the sum of \$20,000 to the fund for the repair of permanently improved streets. The burden of caring for these streets is increasing each year. The number of yards of pavement which must be looked after has increased by the thousands during the present summer, and in order that we may keep all

streets in that good condition which the people rightfully demand, it will be necessary to have the additional funds asked for. I call your attention to the fact that with this sum added to the original appropriation the amount expended for this purpose during the present year will be little, if any, in excess of the sum required during the year 1906.

The following is a list of the streets which have not as yet been repaired during the present year:

Delaware, from Massachusetts avenue to St. Clair street.

St. Clair street.

N. East street.

New York street west of Blake.

East street south of Morris.

McCarty street, High to Virginia avenue.

Woodlawn, east of Virginia avenue.

Ft. Wayne avenue.

12th street, Alabama to Central avenue.

Senate avenue, from 16th to 21st street.

Buchanan street east of Virginia avenue.

N. Park avenue.

Liberty street.

Talbot avenue, from 16th to 25th street.

As this work must be done during the good weather, I earnestly urge upon you immediate action on this ordinance.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

A communication was received through the Mayor inviting the Council to attend the Convention of the League of American Municipalities to be held at Norfolk, Va., was read and placed on file without action.

INDIANAPOLIS, IND., August 5, 1907.

To the President and Members of the Common Council:

CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., July 30, 1907.

Mr. Geo. T. Breunig, City Controller:

DEAR SIR—I have been directed by the Board of Public Health to ask you to recommend an appropriation of \$1,500.00 to the Contagious Disease Fund. We have a balance of \$692.00 at the present time, which will not be enough to carry us to the end of the year.

Kindly make the necessary recommendation to the Council at its next meeting.

Respectfully yours,
EUGENE BUEHLER,
Sec. Board of Health.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

To the President and Members of the Common Council:

GENTLEMEN—I herewith submit communication from the Department of Public Works requesting additional appropriations as follows: \$25,000.00 to the "City Civil Engineer Salaries" account, and \$25,000.00 to the "Repairing of Permanently Improved Streets" account.

I have prepared and submit herewith ordinances providing for the appropriations asked for, and recommend their passage.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 2, 1907.

Mr. Geo. T. Breunig, City Controller:

DEAR SIR—In accordance with the attached communication from the City Civil Engineer, we respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$25,000.00 to the City Civil Engineer Salaries Fund.

Respectfully,
JOSEPH T. ELLIOTT,
P. C. TRUSLER,
F. J. MACK,
Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER.
INDIANAPOLIS, IND., August 2, 1907.

Board of Public Works, Indianapolis:

GENTLEMEN—In looking over the balance of the C. C. E. Salaries Fund, I find that the same is only a little over \$4,000.00. In order to pay salaries on the first of next month it will be necessary for an

appropriation to be made this month, and I would suggest that you ask for \$25,000.00, the same to cover salaries in this department for the balance of the year. Our pay-rolls have been exceptionally heavy this year on account of the increased salaries together with the large amount of work on hand which necessitated the employment of a number of extra men.

Very respectfully,

BLAINE H. MILLER,
City Civil Engineer.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 2, 1907.

Mr. Geo. T. Breunig, City Controller, City:

DEAR SIR—In accordance with the attached communication from the City Civil Engineer, we respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$25,000 to Repairing of Permanently Improved Streets Fund.

Yours respectfully,

JOSEPH T. ELLIOTT.
P. C. TRUSLER.
F. J. MACK.
Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER.
INDIANAPOLIS, IND., August 2, 1907.

Board of Public Works, Indianapolis:

GENTLEMEN—In answer to your inquiry regarding an extra appropriation to cover the cost of repairs of permanently improved streets for the balance of the year, I beg to state that we have not as yet patched the following streets, some of which are in bad condition:

Delaware, Massachusetts avenue to St. Clair street.

St. Clair street.

N. East street.

New York street west of Blake.

East street south of Morris.

McCarty street, High to Virginia avenue.

Woodlawn, east of Virginia avenue.

Ft. Wayne avenue.

12th street, Alabama to Central.

Senate avenue, 16th to 21st street.

Buchanan, east of Virginia avenue.

N. Park avenue.

Liberty street.

Talbott avenue, 16th to 25th street.

I believe it would be advisable for the Board to ask for an appropriation of at least \$25,000.00, of which I understand the Street Commissioner needs six or seven thousand to continue with his work of repairs on brick and block streets out of guarantee. There is only a balance of ten or twelve thousand dollars in our fund for repairs to permanently improved streets, and this will be about exhausted after payment of the July bill to the Western Construction Co.

Very respectfully,

BLAINE H. MILLER,
City Civil Engineer.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., July 23, 1907.

Geo. T. Breunig, City Controller, City:

DEAR SIR—I wish you would prepare an appropriation ordinance providing an additional \$20,000 for the repair of permanently improved streets. I desire to have this ordinance submitted to the Council at its next meeting, on the first Monday night in August. I have asked the City Engineer to furnish me a list of all asphalt streets which have not as yet been patched. I am desirous of putting every street in good condition before cold weather, as I consider it to be more economical to patch them now than to wait for an increased appropriation in next year's budget.

I remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, August 2, 1907.

James McNulty, City Clerk, and Common Council, City:

GENTLEMEN—At a meeting of the Board of Public Works, held on Monday, July 29, 1907, certain papers were signed granting permission to the Indianapolis, Newcastle & Toledo Electric Railway Company to enter the city over certain streets, under the impression that conditions set forth, and papers submitted, were simply a repetition of the terms of their franchise. We found later that there was a very great difference between same, and we desire to notify you that all action as to said matter was rescinded. Should any papers in this connection be presented to you, bearing signatures of the Board, please bear this in mind, and oblige.

Yours respectfully,
JOSEPH T. ELLIOTT,
P. C. TRUSLER,
F. J. MACK,
Board of Public Works.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 2, 1907.

*To the President of the Finance Committee and
Members of the Common Council, City:*

GENTLEMEN—The salary of the Superintendent of the Street Cleaning Department of the preceding administration was \$1,600 per annum. During the last year this salary was \$1,200.00. Your honorable body has increased this salary slightly, and we desire to suggest that in view of the large increase in territory by reason of added improvements,

and the efficiency of the work, as well as judgment, intelligence and honesty displayed in making purchases for this department, we feel that this officer is particularly to be commended.

In the readjustment of salaries there was some effort made to place this salary at \$1,500 per annum, and we would respectfully ask that if this matter could be reopened, and this salary so fixed, that such action would be highly appreciated by the members of the Board of Public Works, and we feel assured that the salary would be none too large for the responsibilities of the office.

Yours truly,

JOSEPH T. ELLIOTT.
P. C. TRUSLER.

From Department of Law:

DEPARTMENT OF LAW
INDIANAPOLIS, IND., August 5, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I am informed there will be presented to your honorable body at its session this evening an ordinance amending the present salary ordinance so as to make the salary of the Assistant City Attorney \$1,500.00 per annum, this being an increase of \$150.00 over his present salary. As the responsible head of the legal department, I feel you are entitled to hear from me on the facts touching this subject.

When the Legislature provided that this officer should receive annual salary, to be fixed by ordinance, not exceeding \$1,500.00, it must have contemplated that when the work of the department reached such magnitude that the services performed by him would occupy all his time and be of such character as to justify it, he would be awarded the full salary, but until such time the Common Council would grade the salary according to the value of the services actually performed by him.

At the present time the City Attorney (formerly known as the Assistant City Attorney) receives the full salary of \$2,500.00 allowed by the statute, and I have no hesitation in saying that the Assistant City Attorney fully earns the entire amount authorized by statute to be paid to him. The work in this department has probably quadrupled since this assistant was provided for and the fact is we are greatly in need of another assistant in the office. The personal injury claims and suits to which the Assistant City Attorney gives special attention has increased along with other classes of business. When it is remembered that the total damages claimed in personal injury suits pending against the city in the year 1906 amounted to \$478,500.00, it is clear that the very highest skill and most energetic service is required in defending against them. Failure to look after these cases with the utmost care and attention would quickly result in judgments against the city amounting to more than the entire cost of maintenance of this department.

I am perfectly safe in saying that if the identical services which have been performed by the present Assistant City Attorney in the last eighteen months had been performed, not for a municipal corporation, but for a private corporation or a liability insurance company in defending personal injury claims, that the fees paid for the same

would not have been less than at the rate of \$2,500.00 or \$3,000.00 per year. My last annual report showed that the number of such claims and cases pending on January 1, 1907, was very much less than the total number pending on January 1, 1906, notwithstanding the fact that probably a larger number than usual had been filed during the year. The record for the first six months of 1907 indicates that an equally good showing will be made during the present year. As the Assistant City Attorney is chiefly responsible for this work it follows that he is entitled to the credit and to a salary commensurate therewith.

As far as I may with propriety do so, I earnestly recommend your favorable consideration of the ordinance granting this small increase.

I have the honor to remain,

Yours respectfully,

FREDERICK E. MATSON,
Corporation Counsel.
