REPORTS FROM CITY OFFICERS.

From City Controller.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

INDIANAPOLIS, IND., November, 4, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I herewith submit a communication from the Department of Public Safety requesting the transfer of the sum of \$200.00 to the Bicycles and Repairs account, \$100 from the Fuel and \$100 from the Horseshoeing account, all among the appropriations for the Station House.

The Board of Safety and Chief of Police seem to believe that there is a necessity for the immediate purchase of a Motorcycle, to enable the police department to prevent Automobile scorching, and in their arguments have laid particular stress upon the possibility of pedestrians being killed or maimed by the scorchers.

Although I am inclined to believe that the purchase of such a machine could be delayed until the 1908 appropriation becomes available, I am not willing to have the blame for an accident to any of our citizens laid at my door; I therefore recommend the passage of the accompanying ordinance providing for the transfers asked for.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC SAFETY.

\$100.00 from Horseshoeing Fund
to

\$200.00 to Bicycles and Repairs Fund.
