The City Attorney submitted the following report; which was concurred in:

To the Mayor, Common Council and Board of Aldermen:

Gentlemen:—Since the last meeting of the Council, the suit of Emogen E. Woodall vs. The City, has been tried, and the jury returned a verdict for the city. This was an action for damages in the sum of \$10,000, for injuries resulting from a fall on the north sidewalk of Washington street, in front of the Fancy Bazaar. Plaintiff claimed that the breaking of her leg was caused largely by the very great slant in the sidewalk at that place; the slant at that place being eleven inches in about fifteen feet. Your attention was called to this sidewalk by my predecessor, His Honor, the Mayor, when he was the City Attorney, and I have had prepared an ordinance which I think will correct this slant, and which I present with this report, and earnestly urge its speedy passage. I also present herewith a motion instructing the Street Commissioner to order all owners of property fronting on Washington street, between Delaware and Illinois streets, to roughen all stone pavements in front of their property, as by him directed, and recommend that this motion be adopted.

Respectfully submitted,

WM. L. TAYLOR, City Attorney.

Councilman Thalman, in behalf of the City Attorney, offered the following motion; which was adopted:

That the Street Commissioner be instructed to notify all owners of real estate fronting on Washington street, between Delaware and Illinois streets, to at once roughen all the stone pavements in front of their property, to the satisfaction of such Street Commissioner; and that upon failure so to do, said Street Commissioner is hereby ordered to do said work, and collect costs thereof from such property owners.

Councilman Thalman introduced the following entitled ordinance; which was read the first time:

S. O. 176, 1886—An ordinance to provide for re-laying the sidewalks of Washington street, and re curbing the gutters thereof, from Delaware street to Illinois street, where not already properly done.

The City Attorney submitted the following report; which was read and received:

To the Mayor, Common Council and Board of Aldermen:

Gentlemen:—I was directed by your honorable bodies to present to the Board of County Commissioners of Marion county, Indiana, the petition of His Honor, the Mayor, and the members of the Common Council and Board of Aldermen, praying for the dis-annexation of certain territory from the corporate boundaries of this city; which petition is set forth on pages 686 and 687 of the Journal of the Common Council of August 2d, 1886. Said petition was, on September 22d, 1886, granted by the Board of County Commissioners in its entirety, and all of the seven (7) tracts of land, as set forth in said petition, were ordered dis-annexed and excluded from the corporate boundaries of this city.

I have caused the required legal publication of the notice of such dis-annexation to be made.

Respectfully submitted,

WM. L. TAYLOR, City Attorney.

Wm. Hadley, Rental Agent, submitted his reports for August and September, 1886; which were read and received.

The Chief Fire Engineer submitted his third quarterly report of the cash receipts and disbursements from January 1st, to October 1st, 1886; which was read and received.

The Chief Fire Engineer submitted the following report:

To His Honor, the Mayor, Members of the Common Council and Board of Aldermen:

Gentlemen:—I respectfully present the name of Henry Cook to fill a vacancy in the Fire Department.

J. H. WEBSTER, Chief Fire Engineer.

Which failed of approval, by the following vote:

AYES, 10—viz: Councilmen Cummings, Dunn, Mack, McClelland, McGroarty, Newland, Reynolds, Smither, Swain, and Thalman.

NAYS, 11—viz: Councilmen Burns, Coy, Dell, Edenharter, Haugh, Markey, Pearson, Reinecke, Rooker, Stuckmeyer, and Waterman.

Councilman Rooker offered the following motion:

That the Chief Fire Engineer be, and he is hereby requested to reinstate Alexander Haugh in the Fire Department.

And it was adopted, by the following vote:

AYES, 13—viz: Councilmen Burns, Coy, Dell, Edenharter, Haugh, Mack, Markey, Newland, Pearson, Reinecke, Rooker, Stuckmeyer, and Waterman.

NAYS, 8—viz: Councilmen Cummings, Dunn, McClelland, McGroarty, Reynolds, Smither, Swain, and Thalman.

Mr. Thomas Russell, by consent, presented a communication relative to the management of the City Dispensary; which was read, and referred to the Dispensary Board.

The Superintendent of the City Hospital submitted his report for September, 1886; which was read and received.

The Superintendent of the City Dispensary submitted his report for September, 1886; which was read and received.

The Board of Public Improvements and Street Commissioner, through Councilman Stuckmeyer, submitted the following report; which was read and received:

The Board of City Commissioners submitted the following report, accompanied with resolution:

Report of the City Commissioners in the matter of opening and extending Lincoln Lane.

To the Mayor, Common Council, and Board of Aldermen of the City of Indianapolis:

Gentlemen:—The undersigned, members of the Board of City Commissioners of said city, duly appointed, sworn, qualified and acting under and in pursuance of an Act of the General Assembly of the State of Indiana, in relation to the laying out, opening, widening, altering and vacation of streets, alleys, &c., approved March 17th, 1875, and acts amendatory thereto, do report:

1st. That in pursuance of a notice of the City Clerk, herewith filed as a part hereof, marked exhibit "A," they met in Room 2, of the City Clerk's office, on Friday, the 30th day of July, 1886, and entered into the consideration of the petition of B. W. Hartley et al, for the opening of Lincoln Lane on a straight line to the width of sixty feet from the present eastern terminus of said Lincoln Lane to Shelby street.

2d. After having viewed the ground proposed to be taken for the extension of said street, and the property contiguous thereto and along the line of said street to East street, with a view of determining what property was benefited and what property damaged by said street extension, the Commissioners agreed on the inter-

ested parties, and the City Clerk was required to have the proper notices issue, notifying the property owners to meet the City Commissioners in Room 2, of the City Clerk's office, on Monday, the 27th day of September, 1886, at 10 o'clock A. M. Said report to the City Clerk is herewith filed as a part hereof, and marked exhibit "B."

3d. We further report that we met at the time and place named, and entered upon the further consideration of opening said street, by examining various witnesses and interested parties in relation to said street opening.

4th. We now, on said 27th day of September, 1886, report that there is no damage to any property on account of said proposed opening and extension of Lincoln Lane, except where a portion of property is taken therefor, and to a narrow strip of land cut off by said street extension and detached from the body of the land to which it belongs, and also a damage to a barn which stands partly in the street.

5th. Said opening runs from the present eastern terminus of Lincoln Lane to Shelby street, a distance of 1,730 feet, and is sixty feet wide.

6th. No part of the damages are to be paid by the city.

7th. The names of the owners, description of the property, and value thereof to be appropriated, are as follows, viz:

City Commissioners.

Resolved, That the report of the City Commissioners in the matter of opening and extending Lincoln Lane on a straight line to the width of sixty (60) feet, from the present eastern terminus of said Lincoln Lane to Shelby street, be, and the same is hereby, in all things, accepted and approved; that the benefits assessed and damages awarded by said Commissioners be, and the same is hereby approved; that the real estate described in said report necessary for the opening and extension of said Lincoln Lane, be, and the same is hereby, appropriated; that the City Clerk be, and is hereby, directed to certify to the Treasurer of Marion county, Indiana, so much of said report as assesses benefits and awards damages upon the real estate, giving description thereof: *Provided, however*, That said Treasurer shall not tender or pay any part of the damages occasioned by said opening and extension, as shown by said Commissioners' report, nor shall said street be opened or widened until the benefits assessed shall have been paid to the Treasurer, the collection of which benefits the said Treasurer is hereby directed to make as soon as said certified copy of said Commissioners' report comes to his hands.

Which report was concurred in, and the resolution adopted, by the following vote:

AYES, 20—viz: Councilmen Burns, Coy, Cummings, Dell, Dunn, Haugh, Mack, Markey, McLelland, McGroarty, Newland, Pearson, Reinecke, Reynolds, Rooker, Smither, Stuckmeyer, Swain, Thalman and Waterman.

NAYS—None.

The Board of Health submitted the Mortality report for the last half of September, 1886; which was read and received.

REPORTS, ETC., FROM STANDING COMMITTEES.

The Committee on Judiciary and City Attorney, through Councilman Rooker, submitted the following report; which was concurred in:

To the Mayor and Common Council:

Gentlemen:—Your Committee on Judiciary and City Attorney, to whom sundry papers were referred, would report:

1st. Is the petition of Andrew J. Scott, asking that he be paid the sum of \$135.00 for the loss of his horse, by having a nail run into his foot, while driving over White River bridge.

Your committee have thoroughly investigated the matter, and recommend that he be paid the sum of \$125 00 in full satisfaction of said claim.

2d. Is the petition of Theo. Pfafflin & Co., for refunding the sum of \$36.30, taxes claimed to have been returned in 1884, while the property was in Terre Haute, and properly taxed there.

Recommend the prayer of the petitioners be granted, and that said amount (\$36.30) be refunded.

Respectfully submitted,
WM. L. TAYLOR, City Attorney.

C. F. Rooker,
Geo. F. Edenharter,
Committee on Judiciary.

The Committee on Public Light, through Councilman Rooker, submitted the following report; which was concurred in:

To the Mayor and Common Council:

Gentlemen:—Your Committee on Public Light, to whom the following motions were referred, would report thereon as follows:

1st. Is a motion "That the City Civil Engineer be, and is hereby, directed to instruct 'The Sun Vapor Light Company' to erect four lamps, and light the same, on Central Avenue, between the State Ditch and Eleventh Street."

Recommend its adoption.

2d. Is a motion "That four vapor lights be erected on south Arsenal avenue, under the direction of the City Civil Engineer." Recommend its adoption.

3d. Is a motion "That the Vapor Light Company be instructed to place three vapor lights on Archer street, between Michigan and Clifford avenues; also, three on Railroad street, between North and St. Clair streets, under the direction of the City Civil Engineer." Recommend its adoption.

4th. Is a motion "That 'The Sun Vapor Light Co.' be, and are hereby directed to erect and light two lamps on Hall Place street, between Seventh and Eighth streets." Recommend its adoption.

5th. Is a motion "That the City Civil Engineer be instructed to place two vapor lamps on Walnut street, between Mississippi and Fayette streets."

Recommend its adoption.

Respectfully submitted,

C. F. Rooker,
Theo. F. Smither,
Committee on Public Light.

The Committee on Railroads, through Councilman Pearson, submitted the following report; which was concurred in:

To His Honor, the Mayor, and Members of Council:

Gentlemen:—The Committee on Railroads to whom was referred G. O. No. 52, 1886, have examined the same, and recommend the ordinance be passed.

Respectfully submitted,

John R. Pearson,
C. McGroarty,
Chas. E. Haugh,
Committee on Railroads.

REPORTS FROM SELECT COMMITTEES.

The Building Committee on Market House and Public Buildings, through Councilman Pearson, submitted the following report; which was concurred in:

Indianapolis, Ind., Oct. 4, 1886.

To the Common Council and Board of Aldermen:

Gentlemen:—Your Building Committee recommend that John A. Buchanan have thirty days' further time to complete the Market House, as prayed for by him in the petition herewith submitted. The Architect says the request is a reasonable one.

2. We recommend that the Janitor of Tomlinson Hall be authorized to employ an additional Assistant, at \$1.50 per day, as two men can not do the work from now until warm weather.

3. As the season is far advanced, we recommend that G. R. Root & Bro. be awarded the contract for coal for the Tomlinson Hall building on the basis of their bid supplying the City Hospital, they having offered to furnish such amounts as the city may need at said prices.

Respectfully submitted,

C. S. Denny, Mayor,
Thomas E. Endly,
John R. Pearson,
Building Committee.

Indianapolis, Ind., Oct. 2, 1886.

To the Building Committee for Market House:

Gentlemen—I most respectfully request that you extend the time for completing my contract on the new Market House thirty days. Owing to unavoidable delay in furnishing the iron, and placing the same in position, as well as some other parts of the work, I am compelled to ask for this extension.

Respectfully,
J. A. BUCHANAN, Principal.
John Martin, Henry Jameson, sureties.

PETITION.

To the Senate and House of Representatives of the State of Indiana :

Gentlemen:—The undersigned, Mayor, members of the Common Council and Board of Aldermen of the City of Indianapolis, Indiana, respectfully represent and show to your honorable bodies, that said City of Indianapolis desires to own, control, and have jurisdiction over, what is now commonly known as “Military Park,” in the City of Indianapolis, Indiana. That many and expensive improvements are needed in and about said Park, which would add much to its usefulness and beauty.

We therefore respectfully petition your honorable bodies to deed to the City of Indianapolis, Indiana, for Park purposes, all that part of Out-lot 147, lying north of the Canal, in the City of Indianapolis, and reserved on the plat, as shown by the original survey made of the City of Indianapolis, and commonly known as “Military Park.”

Respectfully submitted, C. S. DENNY, Mayor.

That the City Civil Engineer be instructed to re-mantle the first lamp on Liberty street, south of North street.

Councilman Haugh offered the following motion; which was adopted:

That owing to the fact that the Common Council and Board of Aldermen meet in joint session on November the fifth, for the purpose of electing municipal officers, that the Mayor appoint a committee of five to draft and present to this body at the next regular meeting, a salary ordinance regulating the salaries of the incoming officers.

His Honor, the Mayor, appointed Councilmen Haugh, Pearson, Waterman, Reynolds and Rooker as the above provided-for committee.

Councilman Markey presented the following petition; which was referred to the Committee on Streets and Alleys:

Indianapolis, Oct. 4th, 1886.

To the Mayor, Common Council and Board of Aldermen of the City of Indianapolis:

Gentlemen:—The undersigned, owners of real estate fronting on Tutewiler street, between Yeiser and Morris streets, respectfully petition for the vacation of Tutewiler street, from Yeiser street north to the first alley north of Yeiser street, the same being between Yeiser and Morris streets.

Louis Maas, Frank Elf, Fred Maisoll, Jacob Kropp.

Councilman Newland offered the following motions; which were adopted:

That the Street Commissioner be, and is hereby, ordered to lay double stone crossings across the two alleys between Prospect and Orange streets.

That John McDonald be allowed to make a bowldered crossing across the pavement at Lot No. 7 Cypress street, subject to the approval of the City Civil Engineer.

Councilman Newland offered the following resolution; which was referred to the Committee on Water:

Resolved, That the Indianapolis Water Works Company be instructed to lay water mains on Lexington avenue, from Linden street to Dillon street; also, on Olive street, from Orange street to Willow street.

Councilman Pearson offered the following motion; which was adopted:

That Moritz Kaufman be granted the permission to pave with brick the north sidewalk of North street, from West street to the first alley east, at his own expense, and under the direction of the City Civil Engineer.

Councilman Reinecke offered the following motions; which were adopted:

That the Street Commissioner be directed to at once lower the gutter on the east side of Sullivan street, from Bradshaw street to McCarty street, according to the stakes set by the City Civil Engineer, so as to relieve Bradshaw street from the overflows that have occurred on that street for the reason that the gutters of Sullivan street are higher than the gutters on Bradshaw street, that are so graded as to drain into the gutters of Sullivan street.

That the Street Commissioner be directed to notify D. A. Chenowith to remove the gate placed at the north opening of the alley first west of Shelby street south from Sanders street, as the alley is a public alley, fifteen feet wide.

Councilman Reinecke offered the following motion:

That the services of the two Park Policemen be discontinued from the first day of November, 1886, until the first day of April, 1887.

Which was adopted.

And the motion, as amended, was then adopted.

Councilman Reinecke offered the following motion; which was referred to the Committee on Streets and Alleys:

WHEREAS, The City Commissioners straightened the first alley west of Shelby street while the brick pavement was laid on Coburn street; therefore be it

Moved, That the Street Commissioner be directed to take up the brick pavement at the alley crossing so straightened, and replace the same at the crossing of the alley vacated by the City Commissioners.

Councilman Rooker presented the following petition; which was referred to the Committee on Streets and Alleys:

To the Mayor, Common Council and Board of Aldermen:

Gentlemen.—The undersigned, citizens and resident owners of property fronting and lying along that portion of Herbert street between Illinois street and Meridian street, in this city, would respectfully represent that said Herbert street, west of Illinois street, is only thirty-five feet wide, and that east of Meridian street said Herbert street never extended farther than the first alley, and is now but twenty feet wide, while the said portion above named, extending from Illinois street to Meridian street, is sixty feet wide, which in no way accommodates the public, and forms jogs at the corners of both of said streets, unsightly and inconvenient.

We therefore pray that said portion of Herbert street between Illinois street and Meridian street, be reduced in width to forty feet, ten feet being vacated on the north side thereof, and ten feet being vacated on the south side thereof.

Petitioners file herewith, and make a part hereof, and mark exhibit "A," a plat of the street proposed to be vacated in part, showing the surrounding locality.

F. W. Chislett, Isaac H. Kersted, Sec'y. of the
Trustees Diocese of Indiana; Wm. H. English,
Jas. N. Rogers.

Indianapolis, Sept. 30, 1886.

That the Street Commissioner be instructed to fill with broken stone, the chuck-holes on Indiana avenue, between North street and Fall Creek.

Councilman Stuckmeyer offered the following motions; which were adopted:

That the Street Commissioner furnish lumber for the driveway in front of No. 3 Engine House, and the labor be done by the members of the department.

That the Street Commissioner notify the Trustees of Fletcher Place Church to repair the sidewalk on Virginia avenue.

That Dr. Bigger be granted the right to string a private telephone wire from his Virginia office to his residence on Fletcher avenue; wire to be strung under the direction of the Superintendent of the Fire Alarm Telegraph.

Councilman Swain offered the following motions; which were adopted:

That A. I. Lyon be, and is hereby, granted permission to grade and pave with brick, the sidewalk alongside of his property, south side of Lincoln avenue, from College avenue to the first alley east of College avenue; work to be done at his own expense, under the direction of the City Civil Engineer.

That Wm. G. Wasson be granted the privilege of erecting a private telephone line from the corner of North street and the Canal to No. 24 south Pennsylvania street, and to use the poles of the city where he can, under the direction of and subject to removal by the Chief Fire Engineer.

Councilman Thalman presented for approval, a plat of Herman W. Fenneman's subdivision of a part of the west one-half ($\frac{1}{2}$) of the north-west quarter ($\frac{1}{4}$) of Section thirteen (13), in Township fifteen (15), north of Range three (3) east; which was referred to the Committee on Streets and Alleys and City Attorney, with instructions to report at the next regular session.
