Proposed Amendment to Zoning Code—  
General Ordinance No. 37, 1952

The City Plan Commission, at its regular meeting May 12, 1952, after due public notice, held a public hearing on the subject ordinance, which would amend the zoning on the west side of North Delaware Street between St. Joseph Street and Eleventh Street.

NOBLE P. HOLLISTER,  
Executive Secretary,  
City Plan Commission

May 5, 1952

To the President and Members of the  
Common Council, City of Indianapolis

Gentlemen:

Proposed Annexation, S. O. No. 5, 1952

The subject proposed annexation was discussed by the City Plan Commission at its regular meeting April 28, and it is the feeling of the Commission that annexation of such a small strip, less than one acre in area, apparently for the purpose of carrying out a limited housing project, possibly for two-family houses in a district chiefly restricted to one-family houses, is not in accord with an adequate, orderly program of annexation, especially in view of current plans for improved flood control involving a new levee and a new bridge over White River on Kessler Boulevard, which would affect part of the area proposed to be annexed.

The Commission strongly recommends that this annexation be more comprehensive, so as to include all the area between Illinois Street and White River, from Kessler Boulevard to and including the Riviera Club; and that any further development of this area should take into account the flood control measures contemplated.

NOBLE P. HOLLISTER,  
Executive Secretary,  
City Plan Commission

At this time those present were given an opportunity to be heard on General Ordinances Nos. 32, 36, 37, 39, 40, 41, 42, 43, 44, 45, 1952 and Special Ordinance No. 5, 1952.

Mr. Eltzroth asked for recess. The motion was seconded by Mr. Ehlers, and the Council recessed at 7:10 P. M. CST.

The Council reconvened at 8:20 P. M. CST, with the same members present as before.
